The Lemming Dilemma Living with Purpose, Leading with Vision. This volume introduces the crucial organizational learning discipline of personal mastery—the ongoing process of discovering what you really care about and working with resolve to achieve it. In this engaging story, Emmy the lemming wakes up to her own purpose and vision, and defies the age-old urge to follow others off the cliff. Through her own surprising choices, she inspires the other lemmings to pursue their deepest aims and visions, both individually and collectively. In this simply told story are profound lessons about what it means to be the leader of your own life and to share your vision with others. Includes questions for reflection and group discussion.

harvest a seemingly endless supply for all. The good news attracts penguins and walruses from icebergs far and wide who join in the work and the delectation. But on the way to establishing a clam lovers' paradise; territorial skirmishes arise; clumsy walruses flatten penguins; and confusion reigns. Can the penguins discover the hidden connections that have turned spiraling success into frustration and social upheaval? Only when they learn to see what is invisible are they able to stop their paradise from unraveling and take steps to create sustainable prosperity. The Tip of the Iceberg vividly illustrates how organizations can be trapped by systems when they fail to understand them. The story and discussion guide will help managers sort through the complexity of surface-level events and discover how to take effective actions that create the results they desire.
