Birds Argentina Uruguay Field Guide

First published in 1987, this is a brief, concise identification guide covering all of Argentina, Uruguay, and the Falkland Islands. There are 975 species illustrated, with 3-4 on each page. The majority of the birds are illustrated with multiple views (e.g., perched vs. flying; dorsal vs. ventral) and are accompanied by a very short (20-60 words) physical description of the bird.
