Synopsis. The follow up to My Family and Other Animals and the second book in The Corfu Trilogy, the beloved books that inspired ITV's television series The Durrells. Just before the Second World War the Durrell family decamped to the glorious, sun-soaked island of Corfu where the youngest of the four children, ten-year-old Gerald, discovered his passion for animals: toads and tortoises, bats and butterflies, scorpions and octopuses.

Birds, Beasts and Relatives by Gerald Durrell | Waterstones

Birds, Beasts, and Relatives (1969) by British naturalist Gerald Durrell is the second volume of his autobiographical Corfu Trilogy, published from 1954 to 1978. The trilogy are memoirs about his childhood with his family between 1935 and 1939, when they lived on the Greek island of Corfu .

Amazon.com: Birds, Beasts and Relatives: The Corfu Trilogy ...

Birds, Beasts and Relatives - the second book in Durrell's Corfu Trilogy and another wonderful anecdotal read of his and his family's life on the Greek island. Durrell's style is very loose and gentle with lots of harmless humour at the expense of himself, his mother, siblings and the array of eccentric characters who cross his path.

The Corfu Trilogy: Amazon.co.uk: Durrell, Gerald ...

It was on Corfu that Durrell began to collect and keep the local fauna as pets. The family lived on Corfu until 1939, and this interval became the basis of Durrell's books *My Family and Other Animals*; *Birds, Beasts, and Relatives*; and *The Garden of the Gods*; plus a few short stories such as "My Donkey Sally". The Corfu years also set the background for two TV series and one telefilm.

Birds, Beasts and Relatives : Gerald Durrell : 9780241981658

As much a study of characters as a book about the island and its animals, Birds, Beasts and Relatives really does immerse you into a young boy's wonderful sounding childhood. Durrell is one of my favourite writers and I really, really adore the Corfu books in particular. If you like funny, easy reading then I cannot recommend these highly enough.

The follow up to My Family and Other Animals and the second book in The Corfu Trilogy, the beloved books that inspired ITV's television series The Durrells. Just before the Second World War the Durrell family decamped to the glorious, sun-soaked island of Corfu where the youngest of the four children, ten-year-old Gerald, discovered his passion for animals: toads and tortoises, bats and butterflies, scorpions and octopuses. Through glorious silver-green olive groves and across brilliant-white beaches Gerry pursued his obsession . . . causing hilarity and mayhem in his ever-tolerant family.

The follow-up to My Family and Other Animals and the inspiration for The Durrells in Corfu: A naturalist's memoir of his family's time on a Greek island. In the years before World War II, Gerald Durrell's family left the gloomy shores of England for the sun-drenched island of Corfu. Against this

picturesque backdrop, Durrell fondly recalls his family's disorderly household and outrageous antics, including their interactions with locals of both human and animal varieties. After a boyhood spent studying zoology and acquiring the island's exotic insects, reptiles, birds, mammals, and sea creatures as pets, Durrell's budding naturalism would later bloom into a passion for conservation that would last a lifetime. Filled with clever observations, amusing anecdotes, and childlike wonder, *Birds, Beasts and Relatives* is half nature guide, half coming-of-age tale, and all charmingly funny memoir. This ebook features an illustrated biography of Gerald Durrell including rare photos from the author's estate.

National Bestseller: The complete trilogy that inspired Masterpiece production *The Durrells in Corfu* in one volume. The tales of a naturalist and his family, who left England for the Greek island of Corfu—where they interacted with fascinating locals of both human and animal varieties—these memoirs have become beloved bestsellers and inspired the delightful series that aired on PBS television. Included in this three-book collection are: *My Family and Other Animals*: Ten-year-old Gerald Durrell arrives on sun-drenched Corfu with this family and pursues his interest in natural history, making friends with the island's fauna—from toads and tortoises to scorpions and geckos—while reveling in the joyous chaos of growing up in an unconventional household. *Birds, Beasts and Relatives*: Written after a boyhood spent studying zoology, this memoir is part nature guide, part coming-of-age tale, and all charmingly funny memoir. *The Garden of the Gods*: In the conclusion of the trilogy, Durrell shares more tales of wild animals and his even wilder family, including his mother, Louisa, and his siblings Lawrence, Leslie, and Margo, in the years before World War II. “[Durrell's] books have an unflinching charm. . . . It is a tribute to his skill that one never tires of his accounts” (Chicago Tribune). This ebook features an illustrated biography of Gerald Durrell including rare photos from the author's estate.

Gerald Durrell's *My Family and Other Animals* is a charming and comic autobiographical novel. Fleeing the gloomy British climate, the Durrell clan move to Corfu carrying the bare essentials of life- acne cures for Margo; revolvers for Leslie; books for Larry and a jam jar full of caterpillars for Gerry. Recounted with warmth and humour, it is a heart-warming portrait of an eccentric family surrounded by a wonderful cast of friends and fauna.

The Durrell family are immortalised in Gerald Durrell's *My Family and Other Animals* and its ITV adaptation, *The Durrells*. But what of the real life Durrells? Why did they go to Corfu in the first place - and what happened to them after they left? The real story of the Durrells is as surprising and fascinating as anything in Gerry's books, and Michael Haag, with his first hand knowledge of the family, is the ideal narrator, drawing on diaries, letters and unpublished autobiographical fragments. *The Durrells of Corfu* describes the family's upbringing in India and the crisis that brought them to England and then Greece. It recalls the genuine characters they encountered on Corfu - Theodore the biologist, the taxi driver Spiro Halikiopoulos and the prisoner Kosti - as well as the visit of American writer Henry Miller. And Haag has unearthed the story of how the Durrells left Corfu, including Margo's and Larry's last-minute escapes before the War. An extended epilogue looks at the emergence of Larry as a world famous novelist, and Gerry as a naturalist and champion of endangered species, as well as the lives of the rest of the family, their friends and other animals. The book is illustrated with family photos from the Gerald Durrell Archive, many of them reproduced here for the first time.

In 1947, returning to the UK with two young children to support, Margaret Durrell starts a boarding

house in Bournemouth. But any hopes of respectability are dashed as the tenants reveal themselves to be a host of eccentrics: from a painter of nudes to a pair of glamorous young nurses whose late-night shifts combined with an ever-revolving roster of gentleman callers leading to a neighbourhood rumour that Margo is running a brothel. Margo's own two sons, Gerry and Nicholas, prove to be every bit as mischievous as their famous Uncle Gerald - and he himself returns periodically with weird and wonderful animals, from marmosets to monkeys, that are quite unsuitable for life in a Bournemouth garden.

Part of the trilogy of memoirs that inspired the television show *The Durrells in Corfu*: A naturalist's adventures with animals and humans on a Greek island. When his family moved to a Greek island, young naturalist Gerald Durrell was able to indulge his passion for wildlife of all sorts as he discovered the new world around him and the creatures and people who inhabited it. Indeed, Durrell's years growing up on Corfu would inspire the rest of his life. In addition to his tales of wild animals, Durrell recounts stories about his even wilder family including his widowed mother, Louisa, and elder siblings Lawrence, Leslie, and Margo with undeniable wit and humor. The final chapter in Durrell's reflections on his family's time in Greece before the start of World War II, *The Garden of the Gods* is a fascinating look at the childhood of a naturalist who was ahead of his time. This ebook features an illustrated biography of Gerald Durrell including rare photos from the author's estate.

'We lolled in the sea until it was time to return for tea, another of Mother's gastronomic triumphs. Tottering mounds of hot scones; crisp paper-thin biscuits; cakes like snowdrifts, oozing jam; cakes dark, rich and moist, crammed with fruit; brandy snaps brittle as coral and overflowing with honey.

Conversation was almost at a standstill; all that could be heard was the gentle tinkle of cups, and the heartfelt sigh of some guest, accepting another slice of cake.' - My Family and Other Animals, Gerald Durrell In Dining with the Durrells, David Shimwell has delved into the Durrell family archives to uncover Louisa Durrell's original recipes for the scones, cakes, jams, tarts, sandwiches and more that are so deliciously described by the Durrell family. From her recipe for 'Gerry's Favourite Chicken Curry' to 'Dixie-Durrell Scones with Fig and Ginger Jam', and including the family stories and photos that accompany them, this book will transport you to long lunches enjoyed on the terrace of a strawberry-pink villa, sunshine-filled picnics among the Corfu olive groves and candlelit dinners overlooking the Ionian Sea.

Written with Gerald Durrell's usual sharp eye for observing humour in any situation, *Beasts in my Belfry* will delight fans both old and new. At the age of two I made up my mind quite firmly and unequivocally that the only thing I wanted to do was study animals. Nothing else interested me. This is a charming account of Gerald Durrell's first job in 1945 as a student keeper at Whipsnade Zoo. Over a year, we encounter a typically absurd cast - including Albert the lion, who's a dab hand at ventriloquism, and Teddy the brown bear, with whom the young Durrell sings duets. With notebook and pen in hand, the eager young Durrell observes his co-workers and animal charges alike. Whether getting dirty mucking out the buffalo enclosure or attempting to cajole a jitter-bugging gnu into a transportation crate, life at the zoo is certainly never boring.

A British naturalist and his wife acquire a menagerie of animals and set up their own zoo in this delightful memoir by the author of the Corfu Trilogy. For many years I had wanted to start a zoo. . . .

## Access Free Birds Beasts And Relatives Corfu Trilogy 2 Gerald Durrell

Any reasonable person smitten with an ambition of this sort would have secured the zoo first and obtained the animals afterwards. But throughout my life I have rarely if ever achieved what I wanted by tackling it in a logical fashion. After a decade of supplying creatures for other people's zoos, in 1957 Gerald Durrell and his wife set off on an adventurous journey to the Cameroons in West Africa, where they collected numerous mammals, birds, and reptiles. The wild nature of the animals created quite a bit of chaos, but the Durrells' problems really began when they attempted to return to Britain with their exotic new friends. Not only did they have to get them safely home, they also had to find somewhere able and—more importantly—willing to house them. Told with wit and a zest for all things furry and feathered, Durrell's *A Zoo in My Luggage* is a brilliant account of how a pioneer of wildlife preservation came to found a new type of zoo. This ebook features an illustrated biography of Gerald Durrell including rare photos from the author's estate.
