A meditative novel of a young boy on the cusp of adulthood follows a single year in the life of thirteen-year-old Jason Taylor as he grows up in what is for him the sleepiest village in Worcestershire, England, in 1982. By the author of *Cloud Atlas*. Reprint. 75,000 first printing.

The dazzling novel from critically-acclaimed David Mitchell. Shortlisted for the 2006 Costa Novel Award Longlisted for the Man Booker Prize 2006 January, 1982. Thirteen-year-old Jason Taylor - covert stammerer and reluctant poet - anticipates a stultifying year in his backwater English village. But he hasn't reckoned with bullies, simmering family discord, the Falklands War, a threatened gypsy invasion and those mysterious entities known as girls. Charting thirteen months in the black hole between childhood and adolescence, this is a captivating novel, wry, painful and vibrant with the stuff of life.

By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* | Longlisted for the Man Booker Prize Selected by Time as One of the Ten Best Books of the Year | A New York Times Notable Book | Named One of the Best Books of the Year by The Washington Post Book World, The Christian Science Monitor, Rocky Mountain News, and Kirkus Reviews | A Los Angeles Times Book Prize Finalist | Winner of the ALA Alex Award | Finalist for the Costa Novel Award From award-winning writer David Mitchell comes a sinewy, meditative novel of boyhood on the cusp of adulthood and the old on the cusp of the new. *Black Swan Green* tracks a single year in what is, for thirteen-year-old Jason Taylor, the sleepiest village in muddiest Worcestershire in a dying Cold War England, 1982. But the thirteen chapters, each a short story in its own right, create an exquisitely observed world that is anything but sleepy. A world of Kissingeresque realpolitik enacted in boys' games on a frozen lake; of "nightcreeping" through the summer backyards of strangers; of the tabloid-fueled thrills of the Falklands War and its human toll; of the cruel, luscious Dawn Madden and her power-hungry boyfriend, Ross Wilcox; of a certain Madame Eva van Outryve de Crommelynck, an elderly bohemian emigré who is both more and less than she appears; of Jason's search to replace his dead grandfather's irreplaceable smashed watch before the crime is discovered; of first cigarettes, first kisses, first Duran Duran LPs, and first deaths; of Margaret Thatcher's recession; of Gypsies camping in the woods and the hysteria they inspire; and, even closer to home, of a slow-motion divorce in four seasons. Pointed, funny, profound, left-field, elegiac, and painted with the stuff of life, *Black Swan Green* is David Mitchell's subtlest and most effective achievement to date. Praise for *Black Swan Green* " [David Mitchell has created] one of the most endearing, smart, and funny young narrators ever to rise up from the pages of a novel. . . . The always fresh and brilliant writing will carry readers back to their own childhoods. . . . This enchanting novel makes us remember exactly what it was like. " —The Boston Globe " [David Mitchell is a] prodigiously daring and imaginative young writer. . . . As in the works of Thomas Pynchon and Herman Melville, one feels the roof of the narrative lifted off and oneself in thrall. " —Time

David Mitchell comes home - to England, 1982, and the cusp of adolescence. Jason Taylor is 13, doomed to be growing up in the most boring family in the deadest village (*Black Swan Green*) in the dullest county (Worcestershire) in the most tedious nation (England) on earth. And he stammers. 13 chapters, each as self-contained as a short story, follow 13 months in his life as he negotiates the pitfalls of school and home and contends with bullies, girls and family politics. In the distance, the Falklands conflict breaks out; close at hand, the village mobilises against a gypsy camp. And through Jason's eyes, we see what he doesn't know he knows - and watch unfold what will make him wish his life had been as uneventful as he had believed. Vividly capturing the mood of the times - high unemployment, Cold War politics and the sunset of agrarian England - this is at once a portrait of an era and of an age: the black hole between childhood and teenagerdom.

By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* A gallery attendant at the Hermitage. A young jazz buff in Tokyo. A crooked British lawyer in Hong Kong. A disc jockey in Manhattan. A physicist in Ireland. An elderly woman running a tea shack in rural China. A cult-controlled terrorist in Okinawa. A musician in London. A transmigrating spirit in Mongolia. What is the common thread of coincidence or destiny that connects the lives of these nine souls in nine far-flung countries, stretching across the globe from east to west? What pattern do their linked fates form through time and space? A writer of pyrotechnic virtuosity and profound compassion, a mind to which nothing human is alien, David Mitchell spins genres, cultures, and ideas like gossamer threads around and through these nine linked stories. Many forces bind these lives, but at root all involve the same universal longing for connection and transcendence, an axis of commonality that leads in two directions—to creation and to destruction. In the end, as lives

converge with a fearful symmetry, Ghostwritten comes full circle, to a point at which a familiar idea—that whether the planet is vast or small is merely a matter of perspective—strikes home with the force of a new revelation. It marks the debut of a writer of astonishing gifts.

By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* | Longlisted for the Man Booker Prize In 2007, Time magazine named him one of the most influential novelists in the world. He has twice been short-listed for the Man Booker Prize. The New York Times Book Review called him simply “a genius.” Now David Mitchell lends fresh credence to The Guardian’s claim that “each of his books seems entirely different from that which preceded it.” *The Thousand Autumns of Jacob de Zoet* is a stunning departure for this brilliant, restless, and wildly ambitious author, a giant leap forward by even his own high standards. A bold and epic novel of a rarely visited point in history, it is a work as exquisitely rendered as it is irresistibly readable. The year is 1799, the place Dejima in Nagasaki Harbor, the “high-walled, fan-shaped artificial island” that is the Japanese Empire’s single port and sole window onto the world, designed to keep the West at bay; the farthest outpost of the war-ravaged Dutch East Indies Company; and a de facto prison for the dozen foreigners permitted to live and work there. To this place of devious merchants, deceitful interpreters, costly courtesans, earthquakes, and typhoons comes Jacob de Zoet, a devout and resourceful young clerk who has five years in the East to earn a fortune of sufficient size to win the hand of his wealthy fiancée back in Holland. But Jacob’s original intentions are eclipsed after a chance encounter with Orito Aibagawa, the disfigured daughter of a samurai doctor and midwife to the city’s powerful magistrate. The borders between propriety, profit, and pleasure blur until Jacob finds his vision clouded, one rash promise made and then fatefully broken. The consequences will extend beyond Jacob’s worst imaginings. As one cynical colleague asks, “Who ain’t a gambler in the glorious Orient, with his very life?” A magnificent mix of luminous writing, prodigious research, and heedless imagination, *The Thousand Autumns of Jacob de Zoet* is the most impressive achievement of its eminent author. Praise for *The Thousand Autumns of Jacob de Zoet* “A page-turner . . . [David] Mitchell’s masterpiece; and also, I am convinced, a masterpiece of our time.” —Richard Eder, *The Boston Globe* “An achingly romantic story of forbidden love . . . Mitchell’s incredible prose is on stunning display. . . . A novel of ideas, of longing, of good and evil and those who fall somewhere in between [that] confirms Mitchell as one of the more fascinating and fearless writers alive.” —Dave Eggers, *The New York Times Book Review* “The novelist who’s been showing us the future of fiction has published a classic, old-fashioned tale . . . an epic of sacrificial love, clashing civilizations and enemies who won’t rest until whole family lines have been snuffed out.” —Ron Charles, *The Washington Post* “By any standards, *The Thousand Autumns of Jacob de Zoet* is a formidable marvel.” —James Wood, *The New Yorker* “A beautiful novel, full of life and authenticity, atmosphere and characters that breathe.” —Maureen Corrigan, NPR Look for special features inside. After his wife's untimely death, a powerful sorcerer dedicates his life to seeking revenge against all womankind. He turns his captives into beautiful swans—who briefly regain human form by the fleeting light of the moon. Only Odette, noblest of the enchanted flock, has the courage to confront her captor. But can she gain the allies she needs to free herself and the other swan-maidens from their magical slavery? A monumental tale of loyalty and betrayal, of magic good and evil, of love both carnal and pure, and of the duality of human nature, *The Black Swan* is a rich tapestry which is sure to become an all-time masterpiece of fantasy.

By the New York Times bestselling author of *The Bone Clocks* | Shortlisted for the Man Booker Prize A postmodern visionary and one of the leading voices in twenty-first-century fiction, David Mitchell combines flat-out adventure, a Nabokovian love of puzzles, a keen eye for character, and a taste for mind-bending, philosophical and scientific speculation in the tradition of Umberto Eco, Haruki Murakami, and Philip K. Dick. The result is brilliantly original fiction as profound as it is playful. In this groundbreaking novel, an influential favorite among a new generation of writers, Mitchell explores with daring artistry fundamental questions of reality and identity. *Cloud Atlas* begins in 1850 with Adam Ewing, an American notary voyaging from the Chatham Isles to his home in California. Along the way, Ewing is befriended by a physician, Dr. Goose, who begins to treat him for a rare species of brain parasite. . . . Abruptly, the action jumps to Belgium in 1931, where Robert Frobisher, a disinherited bisexual composer, contrives his way into the household of an infirm maestro who has a beguiling wife and a nubile daughter. . . . From there we jump to the West Coast in the 1970s and a troubled reporter named Luisa Rey, who stumbles upon a web of corporate greed and murder that threatens to claim her life. . . . And onward, with dazzling virtuosity, to an inglorious present-day England; to a Korean superstate of the near future where neocapitalism has run amok; and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn’t end even there. The narrative then boomerangs back through centuries and space, returning by the same route, in reverse, to its starting point. Along the way, Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a videogame, as mysterious as a Zen koan, *Cloud Atlas* is an unforgettable tour de force that, like its incomparable author, has transcended its cult classic status to become a worldwide phenomenon. Praise for *Cloud Atlas* “[David] Mitchell is, clearly, a genius. He writes as though at the helm of some perpetual dream machine, can evidently do anything, and his ambition is written in magma across this novel’s every page.” —*The New York Times Book Review* “One of those how-the-holy-hell-did-he-do-it? modern classics that no doubt is—and should be—read by any student of contemporary literature.” —Dave Eggers “Wildly entertaining . . . a head rush, both action-packed and chillingly ruminative.” —*People* “The novel as series of nested dolls or Chinese boxes, a puzzle-book, and yet—not just dazzling, amusing, or clever but heartbreaking and passionate, too. I’ve never read anything quite like it, and I’m grateful to have lived, for a while, in all its many worlds.” —Michael Chabon “*Cloud Atlas* ought to make [Mitchell] famous on both sides of the Atlantic as a writer whose fearlessness is matched by his talent.” —*The Washington Post Book World* “Thrilling . . . One of the biggest joys in *Cloud Atlas* is watching Mitchell sashay from genre to genre without a hitch in his dance step.” —*Boston Sunday Globe* “Grand and elaborate . . . [Mitchell] creates a world and language at once foreign and strange, yet strikingly familiar and intimate.” —*Los Angeles Times*
