Blood-On-The-Forge
Blood on the Forge is a migration novel by the African-American writer William Attaway set in the steel valley of Pittsburgh, Pennsylvania, during 1919, a time when vast numbers of Black Americans moved northward. Attaway's own family was part of this population shift from South to North when he was a child.

**Blood on the Forge**—Wikipedia
Blood on the Forge is the story of 3 African-American brothers who leave sharecropping in Kentucky to work in a steel mill in western Pennsylvania. We see the action through two of the brother’s experiences in clear and unornamented prose that nevertheless contains a hint of poetry, or perhaps, given one brother’s blues guitar playing, music.

Blood on the Forge, like many novels about the Great Migration, was centered on themes of class struggles and the hardships black American workers faced during the period of the Great Depression. The characters of the three Moss brothers, Big Mat, Chinatown, and Melody, personify the issues of class and race-driven economic disparities of the Depression era.

Though Blood on the Forge was published as the US entered World War II and blacks and whites were migrating from the South in search of defense industry jobs, something in its philosophical disposition looks back to Claude McKay’s Home to Harlem (1928), with its vagabond ex-servicemen who do not want to be strikebreakers, and even to the D.H. Lawrence of Aaron’s Rod (1922), in which every piece of North England grime is remembered as an insult. In spite of its themes, it is less overtly ...
