ZF 5HP19 5-Speed automatic transmission from 2002 BMW 325ci in excellent working condition. The 2002 E46 BMW that this was removed from was very well looked after by an older man and had only done 85,000km. P-plater daughter unfortunately made short work of the immaculate car in the early days of her driving career, so the this transmission and other components were removed and the body scrapped.
