The Sidecar Guide contains everything for the sidecar rider, new or experienced, with sections on riding skills, sidecar setup, issues and solutions for handling problems, sidecar selection, accessories, care and maintenance, and much more. The first new sidecar book of it's type to be published in many years, it draws on my many years of experience operating 3WB Sidecars as well as the invaluable contributions made by specialists in the fields of disabled sidecar use and taking your dog in the sidecar. The "go to" reference for people new to sidecars and exisiting sidecar owners. Both books are written for left and right handed sidecars.
