This book provides a thorough information about body language. All the aspects of knowing the telltale sign of body language has been discussed and it's nice to know that men and women differ in their vision of looking things, that men have tunnel vision and women have better peripheral sight. The book is a good guide to pick up the signals of our body language. Recommend this book and give my honest opinion here.

~~Body Language: 101: Discover the Psychology Secrets of How ...~~

To get started, body language can be broken down into a few different channels: Facial Expressions Researcher Dr. Paul Ekman discovered 7 universal microexpressions — or short facial gestures every human makes when they feel an intense emotion.

~~Body Language: Learn To Read It and How To Improve Your Own~~

Gestures can be some of the most direct and obvious body language signals. Waving, pointing, and using the fingers to indicate numerical amounts are all very common and easy to understand gestures. Some gestures may be cultural, however, so giving a thumbs-up or a peace sign in another country might have a completely different meaning than it does in the United States.

handshakes are used to gain control • The most common gestures of liars • How the legs reveal what the mind wants to do • The most common male and female courtship gestures and signals • The secret signals of cigarettes, glasses, and makeup • The magic of smiles—including smiling advice for women • How to use nonverbal cues and signals to communicate more effectively and get the reactions you want Filled with fascinating insights, humorous observations, and simple strategies that you can apply to any situation, this intriguing book will enrich your communication with and understanding of others—as well as yourself.

Nationally renowned body language expert Tonya Reiman illuminates what until now has been a gray area in interpersonal communication: harnessing the power of your nonverbal cues to get what you want out of every aspect of life, from professional encounters to personal relationships. Unlike other books on this fascinating topic, *The Power of Body Language* is your practical, personal playbook for getting what you desire from others -- and zoning in on what others are saying to you without words. Once you know the hidden meaning behind specific gestures, facial cues, stances, and body movements, you will possess a sixth sense that can be a life-changing, career-saving, trouble-shooting skill you will never leave home without! Learn how to: Take control of your own secret signals Gain trust -- and detect untrustworthiness Ace a job interview Shake hands (the right way) Make a dazzling first impression Exude confidence -- even when you're not feeling it Recognize if someone is lying Understand why men and women "speak" a different language Read a face to know a person's inner emotional state...and much more. In an insightful and engaging narrative, Tonya Reiman analyzes all of the components of body language -- the languages of the face, the body, space and touch, and sound. She shows you how to become a Master Communicator with The Reiman Rapport Method, a surefire system for building an instant connection with anyone, in any situation. And she shares the experiences of her clients, from executives to politicians to relationship seekers: Learn from Cindy, a confident and ambitious manager who turned her career around by altering the subconscious messages she was sending her male colleagues...and Peter, the wedding DJ whose client list blossomed as soon as he practiced the art of social smiling! Peppered with photos and fun facts, *The Power of Body Language* is as entertaining as it is instructive. Get the power to send and receive the messages you want -- and never be left in the dark again.

Is there a time you feel somebody's gestures are telling you something different from the words they're saying? Have you ever experienced how a feeble body language can weaken the determination of your words? If yes, this is the right book for you. Even though the written and spoken language might look like the major way of communicating with each other, body language plays an important role. Do you know that it makes up over ninety percent of communication? This book, *Body Language Psychology and Persuasion Techniques*, aim to make you informed of the real significance of body language in all meetings, relations, and circumstances. It clarifies how body language is entrenched in your genetic makeup and its psychological basis. But wait, body language has the also amazing capability to exceed the language barricades and converse universal meaning! This empowering book explores what your body language is telling other individuals, how you can read the indications of other's bodies, and how to use your body movements to "tell" what you actually mean. Here's a short preview of what you will discover: -Nonverbal Communication -The Psychology Behind Body Language -Neuro-Linguistic Programming And Non-Verbal Communication -What Does My Behavior Display? -How To Read People's Body Language -Improve Your Body Language ...And so much more! So, let's learn what each body language means and how to improve your persuasion strategies.

The complete guide to mastering the art of effective body language Body Language For Dummies is your ideal guide to understanding other people, and helping them understand you. Body language is a critical component of good communication, and often conveys a bigger message than the words you say. This book teaches you how to interpret what people really mean by observing their posture, gestures, eye movements, and more, and holds up a mirror to give you a clear idea of how you're being interpreted yourself. This updated third edition includes new coverage of virtual meetings, multicultural outsourcing environments, devices, and boardroom behaviours for women, as well as insight into Harvard professor Amy Cuddy's research into how body language affects testosterone and cortisol, as published in the Harvard Business Review.. Body language is a fascinating topic that reveals how the human mind works. Image and presentation are crucial to successful communication, both in business and in your personal life. This book is your guide to decoding body language, and adjusting your own habits to improve your interactions with others. Become a better communicator without saying a word Make a better first (and second, and third...) impression Learn what other people's signals really mean Transform your personal and professional relationships Realising what kind of impression you give is a valuable thing, and learning how to make a more positive impact is an incredibly useful skill. Whether you want to improve your prospects in job seeking, dating, or climbing the corporate ladder, Body Language For Dummies helps you translate the unspoken and get your message across.

Would you like to convince others of your ideas? Would you like to know what your friend is thinking? Would you like to understand others and be able to react accordingly?
