"Entrepreneurship", by Robert Hisrich, Michael Peters and Dean Shepherd has been designed to clearly instruct students on the process of formulating, planning, and implementing a new venture. Students are exposed to detailed descriptions of 'how to' embark on a new venture in a logical manner.

Combining comprehensive coverage with a wide variety of real-life cases, International Entrepreneurship: Starting, Developing, and Managing a Global Venture gives entrepreneurs the tools they need to successfully launch international ventures in today's hypercompetitive world. Bestselling author Dr. Robert D. Hisrich helps students and entrepreneurs develop global business plans, select international opportunities, and determine the best entry strategy. The text also covers practical considerations such as legal concerns, the global monetary systems, global marketing, and global human resource management for entrepreneurs. The fully updated Third Edition provides increased attention to culture and reflects recent changes in our increasingly globalized world. Readers will also be exposed to new cases featuring international activities of entrepreneurs and ventures throughout the world.

Combining robust narrative with a wide variety of interesting cases, International Entrepreneurship: Starting, Developing, and Managing a Global Venture focuses on the need for every entrepreneur to at least consider entering the global market in today's hypercompetitive world. As an ever-growing number of countries become market oriented and developed, the distinction between foreign and domestic markets is becoming less pronounced, and entrepreneurs increasingly need to develop skills to identify opportunities and then manage these opportunities on a global basis. International Entrepreneurship is an ideal resource for students, professors, government officials, and practitioners throughout the world who are interested in this vital, growing area. Key Features Includes chapter-opening international scenarios that feature a global entrepreneur or a global entrepreneurial venture to set the scene for the issues that follow Demonstrates global entrepreneurial issues through real-life cases from countries throughout the world Draws content from a wide variety of disciplines, including anthropology, economics, geography, history, jurisprudence, and language Includes chapter-ending class exercises, discussion questions, and suggestions for additional reading to provide readers with hands-on learning opportunities and avenues for future research Helpful Teaching Ancillaries Instructor Resources are available on a password-protected website at <http://www.sagepub.com/hisrichinstr>. These resources include chapter outlines, end of chapter

discussions, chapter exercises, and teaching notes. International Entrepreneurship is appropriate as a core text for courses such as Global Entrepreneurship or International Entrepreneurship or as a supplement in upper-level undergraduate and MBA courses in Entrepreneurship, New Venture Management, and Entrepreneurship Strategy. In addition, it can be used as an ancillary text in International Business and International Management courses.

Entrepreneurship, by Robert Hisrich, Michael Peters and Dean Shepherd has been designed to clearly instruct students on the process of formulating, planning, and implementing a new venture. Students are exposed to detailed descriptions of 'how to' embark on a new venture in a logical manner. Comprehensive cases at the end of the text have been hand-picked by the authors to go hand-in-hand with chapter concepts. The superb author team of Hisrich, Peters, and Shepherd draw from their distinct backgrounds to create a book that addresses the dynamics of today's entrepreneurial challenges. From Bob Hisrich's expertise in global entrepreneurship to Mike Peter's background as a both a real-life entrepreneur and academic to Dean Shepherd's current research on cognition and entrepreneurial mindset, this book balances the crucial line between modern theory and practice.

The first book to look at innovation/entrepreneurship from an international perspective, *Managing Innovation and Entrepreneurship: A Global Perspective* provides a step-by-step process for managing innovation and entrepreneurship in an organization in both turbulent and stable economic times. Authors Robert D. Hisrich and Claudine Kearney demonstrate how to manage innovation on a day-to-day basis—using a wide range of real world scenarios, theories, principles, best practices, case studies, and modern examples. The book provides detailed coverage of each aspect of the process of innovation required to achieve success, including what it takes to build an innovative and entrepreneurial organization, how to develop innovation and entrepreneurship in both individuals and teams, how to manage and operationalize innovation and entrepreneurship, how to develop a global business plan, and more.

Recognizing the unique needs of the technology startup, *Duening* focuses on intellectual property development, funding, and marketing/selling more than other texts in this market. Extensive use of technology examples, case studies, and assignments keeps the book relevant and motivating for engineering students. Rich in case studies, examples, and in-chapter elements that focus on the challenges of launching and operating a technology venture In-depth examination of intellectual property development, valuation, deal structuring, and equity preservation, issues of most relevance to technology start-ups Extensive discussion of technology management and continuous innovation as a competitive advantage Addresses the issue of leading, managing, motivating, and compensating technical workers More time on the fundamentals of marketing and selling, as these are elements of entrepreneurship commonly most neglected by engineers and scientists

A good business plan is both a statement of where you're going and how you will get there. This book provides a step-by-step process for developing and writing a dynamic business plan that will serve you, your business, and your financial backers.
