Born - definition of born  
by The Free Dictionary  
Borne is the past  
participle of the verb  
bear in all senses except  
the one related to birth.

# Online Library

## Borne

It can also be used as an adjective in these senses. Bear means to carry, bring about, or tolerate something; but also refers to bringing offspring into the world. These differences in meaning directly influence the choice of past participle for the verb.
