1 Night Stand Series Books - Goodreads

What Is a One-Night Stand? In the most fundamental sense, a one-night stand is a sexual encounter in which you have no expectation of seeing the other person ever again. In other words, a one-night stand is when you're sexually intimate with someone, but there are no strings attached, and you likely won't be intimate (or even see) this person again in the future.

What Is a One-Night Stand? - LiveAbout

This night stand is made with inexpensive wood and the sticker says something about formaldehyde. One of the pieces was broken in the box but it still went together. I don't think it will hold up during use. The box was not too heavy to lift. It was packed with a lot of Styrofoam.
