Boys Keep Swinging - Lyrics

From Jake Shears – world famous singer, songwriter, actor and LGBTQ+ icon – comes this wide-eyed and determined coming-of- age story; an unforgettable literary account of a man overcoming the odds and finding his true voice. Long before hitting the stage as the lead singer of the iconic glam rock band Scissor Sisters, Jake Shears was Jason Sellards, a teenage boy living a fraught life, resulting in a confusing and confining time in high school as his classmates bullied him and few teachers showed sympathy. It wasn ' t until years later, while living and studying in New York City, that Jason would find his voice as an artist and, with a group of friends and musicians who were also thirsting for stardom and freedom, form the band Scissor Sisters. First performing in the smoky gay nightclubs of New York, then finding massive success in the United Kingdom, Scissor Sisters would become revered by the LGBTQ+ community, sell out venues worldwide, and win multiple accolades with hits like Take Your Mama and I Don ' t Feel Like Dancin ' , as well as their cult-favourite cover of Pink Floyd ' s Comfortably Numb. Candid and courageous, Shears ' writing sings with the same powerful, spirited presence that he brings to his live performances. Following a misfit boy ' s development into a dazzling rock star, Boys Keep Swinging is a raucously entertaining memoir that will be an inspiration to anyone with determination and a dream. ' This is a beautiful, fascinating memoir by a beautiful guy who has lived a fascinating life – and he has the insights and receipts to prove it. Wonderful! ' - Dan Savage

" Wow! So brutally honest and such a really addictive read. ” —Elton John
“ One courageous joyride of a memoir. It should be illegal for rock stars to write so beautifully. ” —Armistead Maupin
“ A wild, sexy, emotional ride through underground New York at the millennium...a tale that speaks to the outsider in all of us. ” —Andy Cohen
In this deeply affecting memoir, one of rock music ' s most entrancing figures transforms the vividness of his musical world into an unforgettable literary account of overcoming odds and finding his true voice. The #1 New York Times–bestselling story about the American Olympic rowing triumph in Nazi Germany—from the author of Facing the Mountain. For readers of Unbroken, out of the depths of the Depression comes an irresistible story about beating the odds and finding hope in the most desperate of times—the improbable, intimate account of how nine working-class boys from the American West showed the world at the 1936 Olympics in Berlin what true grit really meant. It was an unlikely quest from the start. With a team composed of the sons of loggers, shipyard workers, and farmers, the University of Washington ' s eight-oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain, yet they did, going on to shock the world by defeating the German team rowing for Adolf Hitler. The emotional heart of the tale lies with Joe Rantz, a teenager without family or prospects, who rows not only to regain his shattered self-regard but also to find a real place for himself in the world. Drawing on the boys ' own journals and vivid memories of a once-in-a-lifetime shared dream, Brown has created an unforgettable portrait of an era, a celebration of a remarkable achievement, and a chronicle of one extraordinary young man ' s personal quest.

From a legendary music journalist with four decades of unprecedented access, an insider ' s behind-the-scenes look at the major personalities of rock and roll. Lisa Robinson has interviewed the biggest names in music—including Led Zeppelin, the Rolling Stones, John Lennon, Patti Smith, U2, Eminem, Lady Gaga, Jay Z, and Kanye West. She visited the teenage Michael Jackson many times at his Encino home. She spent hours talking to John Lennon at his Dakota apartment—and in recording studios just weeks before his murder. She introduced David Bowie to Lou Reed at a private dinner in a Manhattan restaurant, helped the Clash and Elvis Costello get their record deals, was with the Rolling Stones on their jet during a frightening storm, and was mid-flight with Led Zeppelin when their tour manager pulled out a gun. A pioneering female journalist in an exclusive boys ' club, Lisa Robinson is a preeminent authority on the personalities and influences that have shaped the music world; she has been recognized as rock journalism ' s ultimate insider. A keenly observed and lovingly recounted look back on years spent with countless musicians backstage, after-hours, and on the road, There Goes Gravity documents a lifetime of riveting stories, told together here for the first time.
