When you temporarily lose sight of all around you, you know that it is another masterpiece written by Dean Koontz. "Breathless", Koontz's newest adventure is a much too brief glimpse into the lives of several strangers, linked by an invisible thread much greater than themselves. "Breathless" starts out with great possibilities and again stirred in me hope of going back to the "old Dean Koontz" style of writing where he spends considerable time making "masterpieces" of fiction. Unfortunately, my hope was dashed too soon as it too ended up reading not only as a rush job to finish it but also as an author that loses his idea so just grabs at anything to complete the novel.

bond between them runs deeper than the tragedies that have scarred their lives. Something more than chance—and nothing less than destiny—has brought them together in a world whose hour of reckoning is fast approaching. Praise for Innocence “A thriller that’s both chilling and fulfilling.”—People (four stars) “Laced with fantastical mysticism, it’s an allegory of nonviolence, acceptance and love in the face of adversity. . . . The narrative is intense, with an old-fashioned ominousness and artistically crafted descriptions. . . . An optimistic and unexpected conclusion [mirrors] his theme. Something different this way comes from Mr. Koontz’s imagination. Enjoy.”—Kirkus

This may just be the book Dean Koontz was born to write.”—Thriller Books Journal “Entrancing . . . as speedy a chase-thriller as any Koontz . . . has ever constructed. Written in Koontz’ late mellifluous and reflective manner . . .
