and Dublin national
pharmacopoeias to the creation
of the British Pharmacopoeia and
its evolution over 150 years.
Trade in medicinal substances
and products has always been
global, and the British
Pharmacopoeia is placed in its

Online Library British Pharmacopoeia 2018

global context as an instrument of the British Empire as it first sought to cover the needs of countries such as India and latterly as part of its role in international harmonisation of standards in Europe and elsewhere. The changing contents

Online Library British Pharmacopoeia 2018

of the pharmacopoeias over this period reflect the changes in medical practice and the development of dosage forms from products dispensed by pharmacists to commercially manufactured products, from tinctures to the latest monoclonal

Online Library British Pharmacopoeia 2018

antibody products. The book will be of equal value to historians of medicine and pharmacy as to practitioners of medicine, pharmacy and pharmaceutical analytical chemistry.
