Broken Hearts Mended By Christ - barbaralemba.be  
The Church has the medicine for a broken heart. It is the therapeutic hospital that the heart is mended in. Because the Church is headed by Christ and is His body, We can do nothing right without a right-heart. We can make our hearts right by no other name than Jesus. Repentance sets the heart for change and God does hear.

Jesus, The Place Where Broken Hearts Are Mended - EP by ...  
The Lord is high unto them that are of a broken heart and saveth such as be of a contrite spirit (Ps. 34:18). You do not take delight in sacrifice or I would bring it. You do not take pleasure in burnt offerings. The sacrifices of God are a broken spirit. Broken and a contrite heart, oh God, you will not despise (Ps. 51:15-17).

What Is True Brokenness? | Revive Our Hearts Episode  
Broken Hearts Mended Souls is a ministry that is built on the biblical principals of healing broken women from the inside out. BHMS wants to help you, encourage you, uplift you, and pray for you to be free from your past, and begin living the life that God has intended for you to have.

Brokenness happens. Tragedy, sin, and the painful choices of others all have the ability to disrupt an otherwise contented life. And as a result of our heartache, we often attempt to fix our own brokenness—with disastrous results. If you've tried to heal, but keep ending up in the same place—whether the battle is in your heart or out in the open where everyone can see—The Mended Heart is for you. In this book, author Suzanne Eller tells it like it is: people throw quick fixes at you or tell you to pull yourself up by your bootstraps (whatever that means). More important, though, she shares the powerful truth of Jesus's mission as outlined in Luke 4:18-21: He came to set free all those who are oppressed and in need of mending. You don't have to fix yourself—Jesus loves you right where you are. In fact, He has already completed the work that needs to be done. The Mended Heart will encourage you to trust him, to give and receive grace, and to move ahead even stronger than before—even if others don't move with you.

Francis of Assisi is Catholicism ' s most popular saint. Tens of millions of spiritual seekers summon his name and example. But the real Francis—both his complicated personality and his complex theology—have been misunderstood for centuries. In 1228, Pope Gregory IX rushed to canonize St. Francis only two years after his death. Soon thereafter, the Church eliminated significant aspects of his biography from the public record. For Francis ' s early life was defined by his profligacy; shortly before dying, Francis himself warned his brothers: " Don ' t be too quick to canonize me. I am perfectly capable of fathering a child. " In A Mended and Broken Heart, journalist Wendy Murray slices through the bowdlerized version of Francis ' s life promoted within the Catholic tradition and reveals instead a saint who was in every way also a real man. Murray stresses in particular the crucial but completely neglected role that Clare of Assisi played in Francis ' s life, both pre- and postconversion, and his theology. A profoundly humane portrait of a misunderstood saint, A Mended and Broken Heart makes a powerful case that St. Francis ' s life and thought make him a role model for religious seekers of every faith.

Brokenness happens. Tragedy, sin, and the painful choices of others all have the ability to disrupt an otherwise contented life. And as a result of our heartache, we often attempt to fix our own brokenness—with disastrous results. If you've tried to heal, but keep ending up in the same place—whether the battle is in your heart or out in the open where everyone can see—The Mended Heart is for you. In this book, author Suzanne Eller tells it like it is: people throw quick fixes at you or tell you to pull yourself up by your bootstraps (whatever that means). The Mended Heart will encourage you to trust him, to give and receive grace, and to move ahead even stronger than before—even if others don't move with you.

Using Scripture and real-life stories, Patsy Clairmont illustrates how hearts and dreams can be rejuvenated and rebuilt and how the trip through the valley can lead to the mountaintop.

Every generation has felt the sting of parental alcohol abuse. Our numbers are staggeringly high. Only God can possibly know to what extent lives have been changed for the worse by the scourge that alcohol has become. Anyone who has ever lived in the shadow of a drunkard knows the hurt and humiliation that comes with having done so. At first glance, it would appear that this sin against children is virtually unforgivable. There simply is no excuse for a parent to deal out this kind of grief to those they are charged by God to protect and love. Children of drunkards ultimately become adult children of drunkards. While they have moved on chronologically from their childhood, they still remember the pain. They still have the occasional flashback that will return them to a time of inexplicable feelings of betrayal and even abandonment. But there is hope. That hope is found in the biblical precept of forgiveness. The author shares his life experiences that have delivered him from an early adulthood engulfed by sorrow and regret to a time when forgiveness was granted—when it hadn ' t ever been sought. The same equation can be applied to any and all victims of having lived for many years in the belly of the beast.

God delights in transforming lives. In Broken Into Beautiful, singer and songwriter Owen Smith's first book, she tells the real-life stories of women with shattered dreams, shameful secrets, and damaged souls, and the God who makes them beautiful again. Each chapter features a compelling personal story coupled with relevant biblical teaching and application. Readers will meet women wounded by infidelity, abortion, widowhood, abuse, and other tragic events, only to discover the joy of being restored by a loving heavenly Father. The book will remind women of all ages of God's willingness to eternally forgive and forget and of His heart to transform broken lives. Readers will be empowered to believe truth, to remember grace, and to live for God's greater purposes Broken into Beautiful is ultimately about a beautiful Savior who became broken for us so that all who are broken can be transformed to reflect His beauty.

Discusses the forgiving nature of God and asserts that no one's imperfections are too numerous for Him to turn into good.

Latonya grew up before her time after being introduced to adult behavior at the age of six. Being molested by her father and hearing him say "I love you" was common grounds when a little boy used the exact words. She had no idea that what happened to her would bring forth more afflictions and adversities to her life. Latonya began to confuse love with sex allowing multiple spirits in to have their way with her. Betrayal, rape, and poor self-image were the gateway to her settling for all the things she never deserved. Her heart turned to stone towards men after years of disappointment and deception. She had no idea that the same hatred that brewed over time would be the same hatred that landed her in prison for five years. Blaming everyone for all that she was facing, she began to live an alternative lifestyle in search of love from anyone willing to give it. The void needed to be filled. Missing pieces needed restoration. It was through these experiences that led her to the love of Jesus Christ. She was certain that her life had changed when she met the man who would eventually save her from herself. Allen would be the only man that would gain her attention and keep it. Soon came Cameren, their first born. And not long afterwards, Latonya gave birth to the twins, Briana and Brice. After giving her life to Christ and bringing three children in the world, Latonya had no idea that she'd face yet another disappointment in a man. To forgive her past of constant betrayal and hurt by men, come out of lesbianism, give her life to Christ, and trust again just to be hurt by another man, was something that could have nearly killed what was left inside of her. Single mother of three: what does she do next? How does she cope with this life changing experience? Does she grow bitter or better? She knows with God in control, the worst can be turned for her good. And so with that, she still stands as she tells the story of being BROKEN FOR PURPOSE.

A woman who is separated needs a friend to walk beside her on her difficult journey. Broken Heart on Hold is that friend, one that will uplift, encourage, and hold her up while offering practical insights and pointing her to God. It is a book of hope. Because it is written by a woman who has gone through the trauma of a separation and the eventual healing of her own marriage, the reader will know she is not alone. This collection of honest, heartfelt messages reaches down into the valleys of a woman's loneliness, travels with her through her mental labyrinths, and sheds light in the dark tunnels where answers seem nonexistent. It provides the emotional and spiritual strength to help a woman sort through her confusion. While winding her way through the maze of her emotions, she will realize there is hope as she hangs on to God and trusts him for the outcome. Broken Heart on Hold is a book she will return to again and again.

We all struggle with relationships that are broken in some way. In this book, authors John and Therese Boucher show us eight ways to love like Jesus—through intercessory prayer, respect, forgiveness, gratitude, affirmation, forbearance, honesty, and a healing presence. These are gifts that are given to us through the power of the Holy Spirit. Like seeds that are placed in the earth, these virtues and gifts can grow with prayer, mutual support, and practice, and become the paths to strong and fulfilling relationships. Each chapter focuses on a different path to love. Many real-life stories, including those from the saints, help readers to connect these virtues and gifts to their own lives.
