Essay BTEC Business UNIT 1 P2, M1, D1 This document describes/explains/evaluates the different stakeholders who influence the purposes of two contrasting businesses. This includes: Aims and objectives of each organisation, the different points of view of different stakeholders, and many other related points.

This student book supports the level 1/level 2 BTEC First Award in Applied Science - Principles of Applied Science NQF specification for first teaching from September 2012. The book covers all four mandatory units so learners have relevant and specific content to complete the new 2012 award.

Board-specific Teacher Support Packs provide advice and assistance on how to approach this new qualification. This Pack is appropriate for Edexcel and includes information on how to prepare students for external assessment and how to assist them in preparing their portfolios.

Endorsed by Edexcel, the new BTEC First Applied Science Unit 1 revision guide is perfect for supporting the new externally assessed unit. Includes clear and concise revision notes. Maths skills sections support the mathematical element of the specification. Summary and exam-style questions provide plenty of practice opportunities, with questions clearly differentiated. "Bump up your grade" sections provide valuable hints for the exam.

A clearly written and easily accessible textbook that encourages independent study, covering all the core material required for the BTEC First Certificate and Diploma. Knowledge-check questions and activities are included throughout, along with review questions and worked mathematical examples, all of which relate to real-world engineering contexts. Students will gain a valuable insight into various areas of engineering technology and related industries, providing a potential springboard to further training, qualifications, or suitable employment. For those students wishing to progress to BTEC National, this textbook covers all the vital material required as a prerequisite to NVQ Level 3. New in this edition:

- Updated in line with the 2010 changes to the BTEC First specifications
- Includes detailed information on assessment, featuring example questions and answers
- Layout and design changes provide extra clarity

This is a new textbook for BTEC National Sport and Exercise Sciences to match Edexcel's 2007 specification. So students can be confident that they have covered all the underpinning theory they need. It features a full-colour format that offers accessible support with annotated diagrams, straightforward explanations and realistic activities.

Updated to match the new 2012 specifications for Principles of Applied Science & Application of Science, this bright and engaging student book presents science in real contexts at a suitable level for BTEC to support new assessments and progression from Pass to Merit and Distinction. This book is endorsed by Edexcel.

This Student Book supports the new BTEC First Award in Application of Science. The first external assessment for this award will take place in March 2014, although the award can be taught from 2012.

Written by a senior examiner, Christine Brain, this Edexcel AS Psychology Student Unit Guide is the essential study companion for Unit 1: Social and Cognitive Psychology. This full-colour book includes all you need to know to prepare for your unit exam: clear guidance on the content of the unit, with topic summaries, knowledge check questions and a quick-reference index examiner's advice throughout, so you will know what to expect in the exam and will be able to demonstrate the skills required exam-style questions, with graded student responses, so you can see clearly what is required to get a better grade
