is the highest peak in the mountain range, there are an astonishing 8,888 steps to climb in order to reach these places of worship. Their construction is a stunning testament to the faith and devotion of Chinese Buddhists, who consider Fanjingshan a sacred mountain.

One of a series of titles looking at the places of worship and practices of the world's major religious traditions.

Explains the activities that are performed inside a Buddhist temple, shows the typical layout of a temple, and describes who works in them.

Built around the teachings of the Buddha, who lived in modern-day Nepal about 2,500 years ago, Buddhism is one of the world's largest and oldest spiritual traditions. In addition to its adherents in southern, central, and eastern Asia, today Buddhism has many followers in the Western world who seek through it a peaceful mind, freedom from expectations, and spiritual enlightenment. In this accessible text, the basic beliefs of Buddhism, including the Four Noble Truths and the Eightfold Path, are presented in concise language accompanied by sidebar features defining key vocabulary terms and encouraging readers to think critically beyond the text.

Describes the kind of activities that are performed inside a Christian church and why, shows the typical layout of a church, and tells who works in a church.
