Learning and education doesn't end at graduation—it's a lifelong process that keeps you relevant, informed, and better able to achieve your goals. These same benefits apply at the organizational level, making the culture self-sustaining: learning organizations attract top workers, who drive the organization forward, which attracts more top workers. If you want the best people, you have to be their best option. Building an Innovative Learning Organization gives you a blueprint for building a culture of learning, for a stronger, more robust
