Sure there were parties, presents, puppies, and plastic surgery; but there was also a curfew, a strict regimen of who sits where on movie night, limited contact with the outside world, and a sex life that was anything but wild and crazy. While the E! reality show, The Girls Next Door, has been a ratings hit, each of the three Playboy Bunnies in the series has since left the Mansion in newsworthy ways: one is engaged to a football player, and Hugh's "main" Girlfriend has finally understood that there would be no fairy-tale marriage and family with the man she literally transformed her life for. Izabella was there to witness how each of these relationships formed, where each Girlfriend fell in the pecking - and bed -- order, and when, exactly, the fabled life turned shabby and cheap. From catfights to sneaking in boyfriends, from high-profile guests in the Grotto to the bizarre rituals of the octogenarian at the center of the sexual revolution, Bunny Tales is compulsively readable and endlessly entertaining!</div>

<div>What happens in the Mansion, doesn't stay in the Mansion! How did I get here? I was raised a nice Catholic girl in Ontario, Canada. I am an only child whose parents lavished their attention and resources on me. I have a Bachelor of Arts degree and a law degree, and I'm studying to take the California bar. I am comfortable with my own sexuality, responsible for my own orgasm, and have never been sexually or emotionally abused. And yet for two years, I lived at the infamous Playboy Mansion, rolled in a posse of seven succulent beauties, and was a co-girlfriend of the father of the sexual revolution and the world's largest living hedonist. What is wrong with this picture? The Bunnies. The Girlfriends. The Mansion. The Grotto. The Myth. The Man. The Fantasy. The Reality. Izabella St. James left colder climes for the beaches of Malibu. Young, blond, and pretty, she was looking for fun, and the SoCal nightlife was a powerful magnet. Out clubbing one night, she met Hugh Hefner and his friends. Beyond the silk robe and age-proof good looks, Hugh was a genial man who invited Izabella to join his group of friends and then to move into the world-famous Mansion as one of Hef's girlfriends. (Plural.) Bunny Tales is Izabella's story-of a party girl who discovered what work it is to play all the time. Plastic surgery, gorgeous clothes, cool cars, and a generous weekly allowance are the perks of Mansion life, but Hef's girlfriends are a clique, a sorority, a group of best buds, and bitter rivals, the worst of high school in an adult party circuit. Izabella was witness to the growing pains of an empire-and legend-built on a revolution long over. Like the best relationships, Bunny Tales is honest and fun, revealing and real, satisfying and surprising.</div>
<div>The shocking, never-before-told story of the bizarre world inside the legendary Playboy Mansion—and, finally, the secret truth about the man who holds the key—from one of the few people who truly knows: Hef's former #1 girlfriend and star of The Girls Next Door A spontaneous decision at age twenty-one transformed small-town Oregon girl Holly Sue Cullen into Holly Madison, Hugh Hefner's #1 girlfriend. But like Alice's journey into Wonderland, after Holly plunged down the rabbit hole, what seemed like a fairytale life inside the Playboy Mansion—including A-list celebrity parties and her own #1-rated television show for four years—quickly devolved into an oppressive routine of strict rules, manipulation, and battles with ambitious, backstabbing bunnies. Life inside the notorious Mansion wasn't a dream at all—and quickly became her nightmare. After losing her identity, her sense of self-worth, and her hope for the future, Holly found herself sitting alone in a bathtub contemplating suicide. But instead of ending her life, Holly chose to take charge of it. In this shockingly candid and surprisingly moving memoir, this thoughtful and introspective woman opens up about life inside the Mansion, the drugs, the sex, the abuse, the infamous parties, and her real behind-the-scenes life with Bridget, Kendra, and, of course, Mr. Playboy himself. With great courage, Holly shares the details of her subsequent troubled relationship, landing her own successful television series, and the hard work of healing, including her turn on Dancing with the Stars. A cautionary tale and a celebration of personal empowerment, Down the Rabbit Hole reminds us of the importance of fighting for our dreams—and finding the life we deserve.</div>
<div>You are six years old. Every day after school your father takes you to a sprawling castle filled with exotic animals, bowls of candy, and half-naked women catering to your every need. You have your own room. You have new friends. You have an uncle Hef who's always there for you. Welcome to the world of Playground, the true story of a young girl who grew up inside the Playboy Mansion. By the time she was fourteen, she'd done countless drugs, had a secret affair with Hef's girlfriend, and was already losing her grip on reality. Schoolwork, family, and "ordinary people" had no meaning behind the iron gates of the Mansion, where celebrities frolicked, pool parties abounded, and her own father—Hugh Hefner's personal physician and best friend, the man nicknamed "Dr. Feel Good"—typically held court. Every day was a party, every night was an adventure, and through it all was a young girl falling faster and faster down the rabbit hole—trying desperately hard not to get lost.</div>
<div>A treasure trove of Bunny Mellon's garden design philosophy and advice from her personal archive. Garden Secrets of Bunny Mellon is for anyone who has enjoyed time spent in a garden, from aspiring garden makers to those who manage large estates. This collection is comprised of extracts from Bunny's own writings and garden notes, as well as photographs and drawings from her archive. Chapters are organized by Atmosphere (sky, horizon, shadows), Climate, Light, Space, Shape, Maintenance, and more;readers will feel as if Bunny Mellon has come alongside as a gardening guide and friend. Bunny Mellon was of the affluent class and mingled along with her husband, Paul Mellon, in the circles of the East Coast gentry of the Kennedy and Reagan eras. But Mrs. Mellon, as she was respectfully called by those professional gardeners who worked with her most, wasn't snooty about social position or afraid to get her hands dirty in the rich soil of her family's Virginia farm. Beyond this, Bunny Mellon was known nationally and internationally as a style icon of her time, enjoying friendships with Givenchy, the Kennedys, and the like. Her personal passion was for design, and that was exhibited in her fashion and her garden. A late acquaintance, Linda Holden learned that Bunny wanted to write a gardening book but never found the time. Searching the family's archive after Mrs. Mellon's death, the editors?whom all shared personal relationships with Bunny?discovered a trove of photographs, illustrations, and writings and have now turned it into the how-to gardening book Bunny had hoped to write. Linda Jane Holden was a trusted friend of Bunny Mellon. She authored The Gardens of Bunny Mellon (October 2018). She lives in Chantilly, VA. Thomas Lloyd, grandson of Bunny Mellon, is president of the Gerard B. Lambert Foundation, established by Bunny Mellon to honor her father. Lloyd lives in Washington, DC. Bryan Huffman, an interior designer based in Monroe, NC, was a close friend of Mrs. Mellon for ten years. P. Allen Smith is the TV host of P. Allen Smith's Garden Home and P. Allen Smith's Garden to Table. He is a garden designer, conservationist, and lifestyle expert.</div>
<div>"[A] breezy, charming chronicle." —Time Out New York The legendary founder of Playboy magazine, Hugh Hefner invites you into his world with Hef's Little Black Book, an illustrated treasury of advice and maxims. The only book ever written by the iconic publisher and unabashed hedonist, Hef's Little Black Book features a new, updated Afterword from Hef himself. Dedicated Playboy readers and fans of The Girls Next Door, the hit reality TV series that takes you behind the doors of the Playboy Mansion, will not want to miss this fantastic guide to the very good life from the man who has lived it better than anyone.</div>
<div>KENDRA BARES ALL Fans of the E! smash hit series The Girls Next Door fell in love with sporty Playboy beauty Kendra Wilkinson's care-free spirit, infectious laugh, and down-to-earth nature. Now that she's moved out of the world's most famous bachelor pad and into her own delightfully chaotic world on Kendra as wife to NFL star Hank Baskett and mother to their newborn son, we've watched her hilarious antics as she adjusts to domestic life. But how much do we really know about the fun-loving star? In this humorous and optimistic, sometimes heartbreaking, but always unfailingly honest memoir, Kendra reveals the highs and lows of her extraordinary journey. She wasn't always the quintessential girl next door. Before she was a reality television superstar, Hugh Hefner's girlfriend, or one of the most popular Playboy cover models ever, Kendra was an athletic tomboy whose father walked out on her family when she was a little girl. She grew into a rebellious teenager with a serious drug habit before she quit cold turkey and beat the odds to graduate from a high school that almost didn't give her a second (or third, or fourth) chance. Following her rocky teenage years, an out-of-the-blue phone call from Hugh Hefner changed everything. Kendra dishes candidly about life in the Playboy Mansion: the sex, the parties, the show, and even her relationships with her Girls Next Door costars—Hef, Holly, and Bridget. She tells the true story about how she and Hank met and built a relationship in secret while she was still Hef's girl- friend and a public face of Playboy. Finally, she reflects on the slew of unexpected changes in the short space of a year that have brought her sliding into home from Playboy party girl to wife and mother with a blooming Hollywood career. If you think you've seen all of Kendra, think again. She's only warming up. . . .</div>
<div>The #1 New York Times bestselling author returns with this candid, humorous, and captivating memoir chronicling her journey toward reinvention and self-acceptance. When you've come out the other side of the bizarre, twisted world of the Playboy mansion, where do you land? If you're Holly Madison . . . there's no place like Las Vegas! After making the sudden decision to reclaim her life, Holly broke free from the sheltered, deceptive confines of the mansion (which meant exiting a hit television show) and was determined to start her life over . . . from scratch. Without the security of a job or relationship, she set out to reinvent herself on no one's terms but her own. Deciding to roll the dice and begin again in the glamorous and dreamlike city of Las Vegas, Holly quickly realized that while she may have left her past in the rearview mirror, the labels and stereotypes that came from it weren't so quick to leave her. With a fierce commitment to take charge of her own narrative, Holly dives headfirst into a journey of self-discovery. After a whirlwind stint on Dancing with the Stars, she snags the coveted lead role in the Strip's hottest new burlesque spectacular and lands a reality series spotlighting her new life as a single woman. If her own television show and dream job as a showgirl weren't enough to keep her busy, Holly explores the decadent, exclusive inner-world of Sin City, navigating it's social and dating scene with humor and heart. When it comes to romance, she is met with an eclectic cast of characters, from fame hounds to long distance loves to the occasional celebrity and more than one tabloid mishap. In this reflective, heartwarming memoir, Holly learns that each dating disaster holds an important, and in some cases difficult to face, lesson about herself. The Vegas Diaries is a comedy of errors, set against the glitz and glamour of the dazzling Vegas strip. Through the wild and crazy experiences on one young woman's quest to "have it all," Holly faces her fears, anxieties, and insecurities to discover that her journey to self-sufficiency is also her path to healing. Letting go of trying to prove herself to others, Holly finally gains the courage to confront her past-and in the process finds the life and love she deserves.</div>
