Craig is married to Méline Moussounga Keener, who holds a Ph.D. from University of Paris 7. She was a refugee for 18 months in her nation of Congo (their story together appears in the book Impossible Love, Chosen Books, 2016), and together Craig and Méline work for ethnic reconciliation in the U.S. and Africa. Craig was ordained in an African-American denomination in 1991 and for roughly a decade before moving to Wilmore was one of the associate ministers in an African-American megachurch ...

Dr. Craig S. Keener - Asbury Theological Seminary

The problem is, Craig Keener is such a super egalitarian, every section of the New Testament, ANY TIME HE HAS AN OPPORTUNITY, he takes advantage of it and expounds on arguing for egalitarianism (that men don't have headship and men and women are given the same roles and functions by God in the family and church and women can be pastors and teach and have authority over men).

The IVP Bible Background Commentary: New Testament: Keener ...

About Craig S. Keener. Craig Keener (PhD, Duke University) is professor of New Testament at Asbury Theological Seminary. With this book Craig Keener intends to expand upon his ideas as presented in a footnote in his recent commentary on Acts. His primary thesis is that eyewitnesses do offer miracle claims. He spends much of the book defending this thesis, and specifically targets the materialistic assumptions of David Hume and those who follow him.

1-2 Corinthians (New Cambridge Bible Commentary) Craig S. Keener. Craig Keener is a prolific evangelical writer, and his commentaries are sometimes considered classics. But one of his weaknesses is that he sometimes focus too much on the cultural and social setting of the text and he forgets to expound what the text is actually saying.

Leading New Testament scholar Craig Keener is widely respected for his thorough research, sound judgments, and knowledge of ancient sources. His four-volume magnum opus on Acts has received high praise from all quarters. This commentary on Paul’s Letter to the Galatians features Keener’s meticulous and comprehensive research and offers a wealth of fresh insights. It will benefit students, pastors, and church leaders alike.

Leading New Testament scholar Craig Keener, one of the most trusted exegetes working today, is widely respected for his thorough research, sound judgments, and knowledge of ancient sources. His four-volume magnum opus on Acts has received high praise from all quarters. This commentary on 1 Peter features Keener’s meticulous and comprehensive research and offers a wealth of fresh insights. It will benefit students, pastors, and church leaders alike.

Do miracles still happen today? This book demonstrates that miraculous works of God, which have been part of the experience of the church around the world since Christianity began, continue into the present. Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today, including many accounts that offer evidence of verifiable miracles. This book gives an accessible and concise overview of one of Keener’s most significant research topics. His earlier two-volume work on miracles stands as the definitive word on the topic, but its size and scope are daunting to many readers. This new book summarizes Keener’s basic argument but contains substantial new material, including new accounts of the miraculous. It is suitable as a textbook but also accessible to church leaders and laypeople.

The earliest substantive sources available for historical Jesus research are in the Gospels themselves; when interpreted in their early Jewish setting, their picture of Jesus is more coherent and plausible than are the competing theories offered by many modern scholars. So argues Craig Keener in The Historical Jesus of the Gospels. In exploring the depth and riches of the material found in the Synoptic Gospels, Keener shows how many works on the historical Jesus emphasize just one aspect of the Jesus tradition against others, but a much wider range of material in the Jesus tradition makes sense in an ancient Jewish setting. Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a fuller portrait of the Jesus who lived in history.

Gripping True Story of War and Romance, Hope and Miracles When the odds are impossible, love goes to work. In this thrilling true-life story, readers follow the path of friendship that grows into a romance that spans continents and survives devastating hardship. Craig Keener, a respected white scholar, was cautious after a broken relationship. Méline, a well-educated African woman, met Craig through a campus ministry and the two became friends. Long after they parted for their respective worlds, Craig realized his love for her and began the arduous—and often supernatural—journey to be reunited. Méline faced terror and disease as a refugee in the war-torn Congo; Craig did not know most days if she was alive or dead. Their tender story of love beating the odds inspires readers to believe that God’s own great love for each of us will always overcome.

Most Bible commentaries take us on a one-way trip from our world to the world of the Bible. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they focus on the original meaning of the passage but don’t discuss its contemporary application. The information they offer is valuable -- but the job is only half done! The NIV Application Commentary Series helps us with both halves of the interpretive task. This new and unique series shows readers how to bring an ancient message into a modern context. It explains not only what the Bible meant but also how it can speak powerfully today.

Craig S. Keener presents fascinating, wonderfully useful information on the historical and cultural backgrounds of nearly every verse in the New Testament.

Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research. This commentary on Acts, his magnum opus, may be the largest and most thoroughly documented Acts commentary available. Useful not only for the study of Acts but also early Christianity, this work sets Acts in its first-century context. In this volume, the third of four, Keener continues his detailed exegesis of Acts, utilizing an unparalleled range of ancient sources and offering a wealth of fresh insights. This magisterial commentary will be an invaluable resource for New Testament professors and students, pastors, Acts scholars, and libraries.

"It is a special pleasure to introduce R. T. (Dick) France's commentary to the pastoral and scholarly community, who should find it a truly exceptional -- and helpful -- volume." So says Gordon Fee in his preface to this work. France's masterful commentary on Matthew focuses on exegesis of Matthew's text as it stands rather than on the prehistory of the material or details of Synoptic comparison. The exegesis of each section is part of a planned literary whole supplemented, rather than controlled, by verse-by-verse commentary, allowing the text as a complete story to come into brilliant focus. Rather than being a "commentary on commentaries," The Gospel of Matthew is concerned throughout with what Matthew himself meant to convey about Jesus and how he set about doing so within the cultural and historical context of first-century Palestine. France frequently draws attention to the distinctive nature of the province of Galilee and the social dynamics involved when a Galilean prophet presents himself in Jerusalem as the Messiah. The English translation at the beginning of each section is France's own, designed to provide the basis for the commentary. This adept translation uses contemporary idioms and, where necessary, gives priority to clarity over literary elegance. Amid the wide array of Matthew commentaries available today, France's world-class stature, his clear focus on Matthew and Jesus, his careful methodology, and his user-friendly style promise to make this volume an enduring standard for years to come.

Paul's letters stand at the center of the dispute over women, the church, and the home, with each side championing passages from the Apostle. Now, in a challenging new attempt to wrestle with these thorny texts, Craig Keener delves as deeply into the world of Paul and the apostles as anyone thus far. Acknowledging that we must take the biblical text seriously, and recognizing that Paul's letters arose in a specific time and place for a specific purpose, Keener mines the historical, lexical, cultural, and exegetical details behind Paul's words about women in the home and ministry to give us one of the most insightful expositions of the key Pauline passages in years.
