Bye-Bye, Brevoort is the story of three elderly ladies who live in the Hotel Brevoort, an actual building in New York City that was torn down shortly after Welty wrote her play. The three women entertain a gentleman caller for tea, while wrecking balls and workers destroy the hundred-year-old Brevoort.

Abstract Eudora Welty is well-known for her many works of fiction and non-fiction, but not known for her works for the theater. In the summer of 1948 Welty moved to New York and wrote, in collaboration with another writer, a musical revue entitled What Year Is This? Only one of the sketches, "Bye-Bye Brevoort," was ever produced.

status among Welty's writings. ?Bye-Bye Brevoort? provides a gateway to understanding Welty's life-long interest in theater and her experience of New York City. The actual writing of the revue, Welty's collaboration with Dolson, and the sketches in The Welty Collection have received little recognition in the area of Welty studies.
