In recent years, a growing emphasis has been placed on tourism experiences and attractions related to food. In many cases eating out while on holiday includes the 'consumption' of a local heritage, comparable to what is experienced when visiting historical

narrative of humanity's

the ways in which  
biology and history have

what it means to be

Dr. Yuval Noah Harari

the past four billion  
years. We are acquiring  
the ability to design not
