Property taxes fund less than a quarter of the cost of California's public schools. Less than a quarter of the funding for public schools in California comes from property taxes, which are also collected to support other local government functions. Most of the money for K-12 education does not come from property taxes. The big source of revenue for schools is state income taxes, especially taxes on the state's wealthiest earners.

~~8.3 Who Pays: Where California's Public School Funds Come ...~~

California taxpayers owe consumer use tax on purchases of taxable goods or services for storage, use, or other consumption in California when the seller didn't collect sales tax at checkout. This most frequently occurs when the seller is based in another state and the purchase occurs online, by phone, or by mail. Use tax may also be owed on items purchased in other states or countries (e.g ...

~~California: Use tax must be reported on income tax returns ...~~

In California, specifically, the tax is calculate on the total income and then the portion of the income that is attributed to California is calculated. Out of the total tax you calculated (see instructions for line 31), you pay the prorated amount based on the rate of the income attributed to California out of the total income (see instructions for line 37).
