Reader Steve Lamont has provided some enlightenment. It turns out that Apple and Swift did indeed buy the domains – you can tell by using a “whois” service. “Neither of these domains has any IP addresses assigned to them, however, so that’s why you can’t find them on the internet.” So the “get.sucks” hush money model works.

I Can Tell You What's Real

The lucky ones – if you can call them that – recover, but not in the sense that their lives are back to normal. For some, the damage is permanent. Their organs will never

tell. If this person can make you feel like the world is a terrible place or you are a loser, then don't! At the end of the day YOU but only YOU can take charge of any situation.

The Danger of Talking About Your Problems

Interviewers will sometimes start an interview with an open-ended question like, "Tell me about yourself." This question is a way to break the ice and make you feel more comfortable during the interview process. However, some people might find this—and other interview questions about you —slightly
