Written in an accessible style, this text assumes that the student has no previous education in taxation. Byrd & Chen's Canadian Tax Principles, 2010-2011 Edition, can be used with or without other source materials (this includes the Income Tax Act, Information Circulars, Interpretation Bulletins, and other official materials). The Income Tax Act is referenced in the text where appropriate for further independent study. Students should be able to solve all of the end-of-chapter problems by relying solely on the text as a reference. The text and problem materials are comprehensive of the syllabus requirements of the CGAs, CAs, and CMAs. For your convenience, the text material is now presented in two separate volumes.

When dealing with the CRA, it is advantageous for you to be informed and vigilant of the situation and of all your options. It is important to remember that CRA agents work solely for the CRA; they will not look out for your best interests. By reading Tax Survival for Canadians, you will learn to protect your interests during an audit, how to ask the right questions, and how to utilize the tax laws to work in your favour.

"This report describes the methodology used to process and impute T2 data and the method for estimating the variance due to historical imputation"--Abstract.

This annual publication provides details of taxes paid on wages in OECD countries. It covers personal income taxes and social security contributions paid by employees, social security contributions and payroll taxes paid by employers, and cash benefits received by workers. Taxing Wages 2021 includes a special feature entitled: "Impact of COVID-19 on the Tax Wedge in OECD Countries".
