Circulars, Interpretation Bulletins, and other official materials). The Income Tax Act is referenced in the text where appropriate for further independent study. Students should be able to solve all of the end-of-chapter problems by relying solely on the text as a reference. The text and problem materials are comprehensive of the syllabus requirements of the CGAs, CAs, and CMAs. For your convenience, the text material is now presented in two separate volumes.

Just as bridges connect parts of Canada together, Canadian Income Taxation: Planning and Decision Making connects tax law and its application, to business and investment transactions and decision making. The 2017-2018 Edition of Buckwold/Kitunen maintains its highly readable student friendly format and full coverage of the CPA competency map without compromising the planning content needed

for professional exams. Access to ProFile, Intuit's highly regarded professional tax preparation software, continues to be available for students and instructors using Buckwold/Kitunen.

Heavily updated for the 2006-2007 Edition, Canadian Income Taxation: Planning and Decision Making reflects recent changes in the 2005 and 2006 federal budgets, as well as new coverage of trusts, expanded problem and review material, and in-depth coverage of the widespread changing relationships that result from the new dividend tax credit regime. Developed with students in mind, Canadian Income Taxation: Planning and Decision Making is centred on analysis, not just memorization, an approach designed to help you make the right decision at the right time. Combining in-depth analysis with a renowned student-friendly approach, this text is your bridge to
