1600-1850~~ by ...

In *Captives: Britain, Empire, and the World, 1600-1850*, Linda Colley exposes a perspective of the Imperial Britain that goes against traditional history. Although Britain experienced expansion at an unprecedented rate during the late 1600s until the mid-1800s, it had spread itself too thin across the globe.

~~Captives: Britain, Empire and the World

In this path-breaking book Linda Colley reappraises the rise of the biggest empire in global history. Excavating the lives of some of the multitudes of Britons held captive in the lands their own rulers sought to conquer, Colley also offers an intimate understanding of the peoples and cultures of the Mediterranean, North America, India, and Afghanistan.

often veiled its early weaknesses, both actual and perceived. In *Captives*, Linda Colley tackles one aspect of this, Britons in captivity, focusing on the captivity narratives they produced and their reception. She covers three periods: North Africa in the 17th and 18th centuries, North America up to and including the American Revolution, and India and Afghanistan from around 1760 to 1840.

Captives: Britain, Empire and the World is a fascinating look at the precarious nature of empire building and the hazards inherent in constructing and maintaining dominion over vast regions of land and people far from the seat of power. It is also the story of how ordinary people play a role in empire building and it shows that without the sacrifice of so many everyday lives the
