Eduard Imhof's Cartographic Relief Presentation is now available from Esri Press. Many of us have been anxiously waiting for this book to be re-released for quite some time as Cartographic Relief Presentation is a very hard book to find – you can only rarely find a copy for sale and it has a habit of being stolen off library shelves. If you do find it for sale, it is usually at an asking price of over \$300, and if you don't read German, you have to hope that you are lucky enough to ...
