"This colossal reference book documents the timeless urge to reshape the world, and the machines used to do so from the 1088's to today. From utility tractors and loaders up to the largest diggers and bulldozers, every piece of heavy equipment is listed here by model and manufacturer, making this the most exhaustive book on the world's most hard-working vehicles and machines"--Publisher's description.

A pro-life congressman has been murdered in cold blood in the parking lot of a New Hampshire abortion clinic. Margarita O'Brien, a novice detective, and Andy Pick, a former government operative, are quickly assigned to the investigation to get to the bottom of things. Who wanted the congressman dead, and why? And are there other lives at risk? Abandoned by the authorities, the pair digs deeper into the case, only to uncover a vast web of corruption and lies. With only ten days to the presidential primary and a cover-up already in motion, they race against the clock to find the killer. But the closer they are to solving the crime, the closer they are to becoming victims, themselves....
