This is a no-brainer decision to take this course. Found it recommended on Blue Ink and am so glad I did! You helped me get off on the right foot. I'm going to take some of the other courses because this one made it so easy to do AMS ad campaigns, I feel confident to keep going and marketing isn't so hard to face now that I have Dave on my side!

LBO case studies are possible, but more likely for experienced candidates. I haven't seen that many examples of time-pressured valuation/DCF-based case studies. They tend to be more common in investment banking case competitions, where you work in a team and you have days or weeks to finish. The case study I'm covering here is based on a 3 ...

Investment Banking Case Studies: 3-Statement Modeling Test

In addition to no manufacturing downtime or loss of production, using a no-dig option meant significantly reduced repair costs: no concrete floors to break and replace, no plant machinery to relocate, no cleaning afterwards, no environmental pollutants, etc. The Project. After a thorough review, Molson's maintenance manager selected ...
