Research has shown that cats can be very healing for us. A 10-year research study suggests that cat owners were less likely to die of heart attacks than people who have never owned one. The latter ...

If You Love Cats, This May Be Why | Psychology Today

Japanese people have had a long relationship with cats. More than 1000 years ago, people in the upper class were already living with cats. Common people also started having pet cats at home several hundred years ago and Japanese people have been involved with cats in a variety of ways since then.

Japanese people and cats | JAPAN Monthly Web Magazine

Every year we work with YouGov to survey the UK's pet owners which not only gives us a look into the wellbeing of our pets, but also means we can accurately estimate the UK's pet population. So we know how many dogs, cats and rabbits there are in the UK. You can read all our findings in the PDSA Animal Wellbeing (PAW) Report.

~~About | Cats Can Be People, Too!~~

~~Tut, one of our hospital cats. I believe a cat or a bird can be a fantastic addition to an elderly household, particularly if the person has good, previous experience with these pets. As you cat lovers out there are fully aware, feline companionship can be intensely rewarding, take less energy and be less time-consuming than owning a dog.~~
