Ideal for classroom use, individual study, or professional training, **QUALITY MEDICAL EDITING FOR THE HEALTHCARE DOCUMENTATION SPECIALIST**, First Edition, is a timely, unique text designed to teach and reinforce essential skills for medical editors. Comprehensive

Download Free Certified Clinical Documentation Specialist Salary

in scope, this practical guide explains the differences between medical editing and traditional transcription; how to use technology, word expander programs, and computer accessories effectively; and ways to improve accuracy--including developing excellent listening skills and the ability to correctly decipher accents, identify medications, and distinguish soundalikes. The authors have also provided a variety of sample reports--including more than 200 medical reports and their corresponding dictation audio files. Reports span numerous specialties and document types, creating extensive opportunities to learn the medical editing process, practice formatting and editing, and become familiar with common errors produced by speech recognition. The text also features extensive information on professional
