It's common
knowledge that

Get Free Chapter 5

responsibilities in the home are not divided equally between men and women. Feminists bemoan how slowly this gender gap is changing.

Sociologist Oriel Sullivan, however, focuses on the neglected topic of the processes of change, discussing

Get Free Chapter 5

Changing domestic gender practices on many different levels—from changes in attitudes about gender equality in the home to the quantitative analysis of change in the domestic division of labor. His newly developed theoretical

Get Free Chapter 5

approach connects the wider discussion of gender practices within the home to the interactions and negotiations that individuals engage in on a day-to-day basis. He includes empirical evidence for change, presenting findings based upon directly

Get Free Chapter 5

Comparing cross-national data from the mid-1960s to the late 1990s. This book will appeal to readers interested in gender studies, sociology, and in the changing gender equity of the home.

In an advanced industrial society like the

Get Free

Chapter 5

Contemporary U.S., where an array of legal, political, institutional, and economic processes work against gender inequality, how does this inequality persist? Are there general social processes through which gender as a principle of social

Get Free

Chapter 5

inequality manages to rewrite itself into new forms of social and economic organization? Framed by Gender claims there are, highlighting a powerful contemporary persistence in people's everyday use of gender as a primary cultural

Get Free Chapter 5

tool for organizing social relations with others. Cecilia Ridgeway asserts that widely shared cultural beliefs about gender act as a "common knowledge" frame that people use to make sense of one another in order to coordinate their interaction.

Get Free

Chapter 5

The use of gender as an initial framing device spreads gendered meanings, including assumptions about inequality embedded in those meanings, beyond contexts associated with sex and reproduction to all spheres of social life that are carried out

Get Free

Chapter 5

through social
relationships.

These common
knowledge cultural
beliefs about

gender change
more slowly than do
material

arrangements
between men and
women, even

though these beliefs
do respond
eventually. As a

Get Free

Chapter 5

result of this cultural lag, at sites of innovation where people develop new forms of economic activity or new types of social organization, they confront their new, uncertain circumstances with gender beliefs that are more traditional than those

Get Free

Chapter 5

Circumstances.

They implicitly draw on the too convenient cultural frame of gender to help organize their new ways of doing things. As they do so, they reinscribe trailing cultural assumptions about gender difference and gender inequality into the

Get Free

Chapter 5

new activities, procedures, and forms of organization that they create, in effect, reinventing gender inequality for a new era.

Ridgeway argues that this persistence dynamic does not make equality unattainable but does mean that

Get Free

Chapter 5

Progress is likely to

be uneven and

depend on the

continued,

concerted efforts of

people. Thus, a

powerful and

original take on the

troubling endurance

of gender

inequality, Framed

by Gender makes

clear that the path

toward equality will

Get Free

Chapter 5

not be a long,
steady march, but a
constant and
uneven struggle.

Household

Alltagsgeschichte,
or the history of
everyday life,
emerged during the
1980s as the most
interesting new
field among West
German historians
and, more recently,

Get Free

Chapter 5

their East German colleagues. Partly in reaction to the modernization

theory pervading West German social history in the 1970s, practitioners of alltagsgeschichte stressed the complexities of popular experience, paying particular attention, for

Get Free Chapter 5

instance, to the relationship of the German working class to Nazism.

Now the first English translation of a key volume of essays

(Alltagsgeschichte: Zur Rekonstruktion historischer Erfahrungen und Lebensweisen)
presents this

Get Free

Chapter 5

approach and shows how it cuts across the boundaries of established disciplines. The result is a work of great methodological, theoretical, and historiographical significance as well as a substantive contribution to German studies.

Get Free

Chapter 5

Introduced by Alf

L ü dtke, the volume includes two empirical essays,

one by Lutz

Niethammer on life courses of East

Germans after 1945

and one by L ü dtke

on modes of

accepting fascism

among German

workers. The

remaining five

Get Free

Changing

Gender
Relations In The
Household

It's common knowledge that responsibilities in the home are not divided equally between men and women. Feminists bemoan how slowly this gender gap is changing.

Sociologist Oriel Sullivan, however, focuses on the

Get Free Chapter 5

neglected topic of the processes of change, discussing changing domestic gender practices on many different levels—from changes in attitudes about gender equality in the home to the quantitative analysis of change in the domestic division of labor.

Get Free

Chapter 5

His newly developed theoretical approach connects the wider discussion of gender practices within the home to the interactions and negotiations that individuals engage in on a day-to-day basis. He includes empirical evidence

Get Free

Chapter 5

for change, presenting findings based upon directly comparable cross-national data from the mid-1960s to the late 1990s. This book will appeal to readers interested in gender studies, sociology, and in the changing gender equity of the home.

Get Free Chapter 5 Changing Gender

This book explains how gender, as a power relationship, influences climate change related strategies, and explores the additional pressures that climate change brings to uneven gender relations. It considers the ways

Get Free Chapter 5

in which men and women experience the impacts of these in different economic contexts.

The chapters dismantle gender inequality and injustice through a critical appraisal of vulnerability and relative privilege within genders. Part I addresses

Get Free

Chapter 5

Conceptual frameworks and international themes concerning climate change and gender, and explores emerging ideas concerning the reification of gender relations in climate change policy. Part II offers a wide range of case studies from

Get Free

Chapter 5

the Global North and the Global South to illustrate and explain the limitations to gender-blind climate change strategies. This book will be of interest to students, scholars, practitioners and policymakers interested in

Get Free Chapter 5

Climate change,
environmental
science, geography,
politics and gender
studies.

This book explores
Soviet influences on
Yugoslav gender
policies, examining
how Yugoslav
communists
interpreted, adapted
and used Soviet

Get Free Chapter 5

ideas to change
Yugoslav society.

The book sheds
new light on the
role of Soviet
models in producing
Yugoslav family and
reproductive laws,
and in framing the
understandings of
gender which
affected key
policies such as the
collectivisation of

Get Free Chapter 5

agriculture, labour policies, policies towards Muslim populations, and policies concerning youth sexuality.

Through a gender analysis of all these policies, this book points to the difficulties of applying Soviet solutions in Yugoslavia. Deeply

Get Free

Chapter 5

entrenched patriarchal attitudes undermined Yugoslav communists' ability to challenge gender norms, causing many disputes and struggles within the Communist Party over the meanings and application of Soviet gender models. Yet, Soviet

Get Free Chapter 5

models informed how Yugoslav communists approached gender-related issues for many years, even after the conflict erupted between these two countries.

Globalization and Social Change takes a refreshing new

Get Free

Chapter 5

perspective on
globalization and
widening social and
spatial inequalities.

Diane Perrons
draws on ideas
about the new
economy, risk
society, welfare
regimes and
political economy to
explain the growing
social and spatial
divisions

Get Free Chapter 5

Characteristic of our increasingly divided world. Combining original argument with a clear exposition of the underlying processes, Perrons illustrates her points through a series of case studies linking people in rich and poor countries. She

Get Free

Chapter 5

places strong emphasis on the socio-economic aspects of change, particularly changes in working patterns and living arrangements, and makes reference to the new global division of labour, declining industrial regions and widening social

Get Free Chapter 5

divisions within what she terms 'superstar regions'. Wide in scope, this new study also focuses on changing family structures, the feminization of employment, migration, work life balance and new conceptions of gender identity and gender roles. Diane

Get Free

Chapter 5

Perrons'

enlightening book

concludes that

divisions by social

class and gender

are in some ways

becoming more

significant than

divisions between

nations, and

suggests that new

systems of social

and economic

organization are

Get Free

Chapter 5

necessary for social
peace in the new
millennium.

Relations In The

Household

Providing a
comprehensive
analysis of
comparative gender
difference in the
EU, this book
addresses a
spectrum of gender
issues. From
employment and

Get Free Chapter 5

households, to culture, sexuality and male violence, the book transcends any

'economy/culture' divide. This wide coverage is placed within a conceptual view of structured 'gender cultures' which vary spatially and historically.

Individual chapters

Get Free Chapter 5

are written around this common theme by an expert board of international contributors, drawn from a variety of intellectual and disciplinary backgrounds, allowing the reader to compare between chapters and read across them.

Get Free

Chapter 5

It gathers more spectators on a global basis than any other activity today. More than just a game, sport has profound political and social consequences, promoting a super-aggressive ideal of manhood and political culture.
