Diesel Trade Theory N2 Question Paper - TruyenYY  
Trade cannot be explained neatly by one single theory, and more importantly, our understanding of international trade theories continues to evolve. Modern or Firm-Based Trade Theories In contrast to classical, country-based trade theories, the category of modern, firm-based theories emerged after World War II and was developed in large part by ...

What Is International Trade Theory?  
Mercantilism. Developed in the sixteenth century, mercantilism A classical, country-based international trade theory that states that a country's wealth is determined by its holdings of gold and silver, was one of the earliest efforts to develop an economic theory. This theory stated that a country's wealth was determined by the amount of its gold and silver holdings.
