If you cat spends the night outside, be sure to set up a bed (ideally windproof) where he can retreat from nighttime cold. We really like the KatKabin for this purpose. If your cat is mostly indoors this winter, you might want to cut back on the treats to prevent wintertime weight gain.

~~Chill Out, Kitty: Winter and Your Cat~~ ~~Modern Cat~~  
If you want to leave your Cat outside in winter then it's important you have a place or somewhere that your Cat can take shelter in. It should be warm because it can get really cold during winter. That's why I would recommend Outdoor Thermo-Kitty Home (Heated) for your Kitty.

~~Is It OK To Leave Cats Outside In Winter? (Or Dangerous?)~~  
Keep fireplaces screened off and seal up windows. Cats are also drawn to the warmth of space heaters so purchase models that have an automatic shutoff option in case it gets knocked over. Trimble advises owners not to leave candles unattended. Cats like to play with anything that moves, including a flame. It's easy for them to get singed."

Here in the Northern Hemisphere, winter is well underway - we're not exactly snowed in in the UK, but we are expecting a few flakes tonight!. So, seeing as we Brits like to discuss the weather as we go about our daily lives, I've put together a collection of winter idioms to continue my series. As with most idioms, however, hardly any of these phrases have anything to do with winter at all!

~~Chill Out With These Winter Idioms | Every Word Counts~~  
Cats will lose too much body heat trying to stay warm. Place the shelter on a pallet or other raised area to reduce drafts and retain heat. Plan on each shelter holding between three and five felines, who will snuggle together for warmth. If you have more cats, you will need additional shelters. Place the shelter in a quiet area, out of the wind.

Curl up and chill out with this winter-themed omnibus including four ebooks based on the hit PBS Kids' TV show The Cat in the Hat Knows a Lot About That! With two based on the PBS Kids' holiday special The Cat in the Hat Knows a Lot About Christmas! (A Reindeer's First Christmas and New Friends for Christmas), and two based on the TV show (A Long Winter's Nap--a story about hibernation), and Flight of the Penguin (a story about--what else?--penguins), this is a perfect holiday gift that can be enjoyed long beyond the holidays!

Fans of the Cat in the Hat have cause to celebrate this holiday season with two stories based on the one-hour PBS Kids' primetime special The Cat in the Hat Knows a Lot About Christmas! In A Reindeer's First Christmas, narrator Ralph--a yearling caribou--tells how but for the help of the Cat in the Hat, Sally, Nick, and some new friends, he narrowly misses spending his first Christmas at home and pulling Santa's sled! And in New Friends for Christmas, Sally and Nick learn that with a little help from family and friends--and a spare mini Thinga-ma-jigger--its possible to accomplish almost anything!

Where does honey come from? The Cat in the Hat knows that! It comes from bees, and what better way to learn about honey making than to visit inside a hive and see firsthand how it's done? In this rhymed easy reader based on an episode from the hit PBS Kids TV show The Cat in the Hat Knows a Lot About That!, the Cat, Sally, Nick, and Things One and Two shrink to bee size and learn how bees communicate via dance, collect nectar and spit it into combs, turn it into honey, and seal the combs with wax. This is a sweet, funny Step into Reading book that kids will gobble up--without realizing they are ingesting an important natural-history lesson!

Explains how temperature changes affect plants and animals throughout the year, in a text that includes stickers.

Cats have lived among humans from the time of the ancient Egyptians and make loving, intelligent pets for people of all ages. Cat owners want to give their pets the best care possible. This book is suitable for the first time cat owner as well as established cat enthusiasts. The Simple Guide to Cats is essential reading for anyone who owns a cat or is thinking of getting one. Illustrated with color photos and supplemented by easy-to-read tip boxes. The Simple Guide to Cats will make your life and your cat's life fulfilled and rewarding. Book jacket.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Learn why fireflies flash their lights in this Glow-in-the-Dark Pictureback with stickers based on the hit PBS Kids show The Cat in the Hat Knows a Lot About That! Sally and Nick are making shadow shapes when the batteries in their flashlight conk out. Luckily, the Cat knows where they can get some light: from his friend Shimmer, a firefly! But it turns out that Shimmer needs some help of her own: her friend Glimmer is in trouble. Fireflies call to each other using unique flashing light patterns, and Glimmer's pattern is all wrong. He needs help--fast! Can the Cat and Co. un-stick Glimmer from a giant spiderweb AND find enough light to put on a shadow show? You bet they can! With glow ink on every other spread and two sheets of glow stickers, this is a fun way to celebrate summer and to spark discussions on how different animals communicate!

"A marital thriller more scary than *Gone Girl*." —The Washington Post A scathing and exhilarating thriller that begins with a husband's obsession with the seemingly vacant house next door. It's wintertime in the Hamptons, where Scott and his wife, Elise, have come to be with her terminally ill father, Victor, to await the inevitable. As weeks turn to months, their daily routine—Elise at the hospital with her father, Scott pretending to work and drinking Victor's booze—only highlights their growing resentment and dissatisfaction with the usual litany of unhappy marriages: work, love, passion, each other. But then Scott notices something simple, even innocuous. Every night at precisely eleven, the lights in the neighbor's bedroom turn off. It's clearly a timer . . .but in the dead of winter with no one else around, there's something about that light he can't let go of. So one day while Elise is at the hospital, he breaks in. And he feels a jolt of excitement he hasn't felt in a long time. Soon, it's not hard to enlist his wife as a partner in crime and see if they can't restart the passion. Their one simple transgression quickly sends husband and wife down a deliriously wicked spiral of bad decisions, infidelities, escalating violence, and absolutely shocking revelations. Matt Marinovich makes a strong statement with this novel. *The Winter Girl* is the psychological thriller done to absolute perfection.

A lively new picture-book biography of the most beloved children's book author of all time: Dr. Seuss! Have you ever wondered how the great Dr. Seuss wrote his most famous book? Did you know that for *The Cat in the Hat*, he wasn't allowed to make up the fun words he was known for—like OOBLECK and IT-KUTCH and HIPPO-NO-HUNGUS? He was only allowed to use words from a very strict list! This bouncy account of the early career of Dr. Seuss (a.k.a. Ted Geisel) proves that sometimes limitations can be the best inspiration of all. Kid-friendly prose (with Seussian rhyme for Ted's dialogue) and whimsical illustrations by award winner Kevin Hawkes recall the work of Dr. Seuss himself. Writing tips from Dr. Seuss and exclusive letters from the author and illustrator, detailing how they created this book, are included!
