God's call for us doesn't end when we retire. In fact, many of our biblical saints were in their later years before God called them to the adventures for which we know them: leadership, new life, transformation, healing. Their lives demonstrate that true callings are discerned not simply through reason and circumstance but also through self-knowledge and conversation with God. In *Answering God's Call*, spiritual director Barbara Lee uses Scripture-focused prayer to help readers connect with some of our elder saints and consider what God reveals to us through their lives. We will spend time with Anna and Abram, Simon's mother-in-law and Namaan the Syrian, a widow, a leper, a king, and a late-in-life mother-to-be, among others, who will open for us the calls to trust humility stillness forgiveness service radical change letting go choosing caregiving courage... Dare to receive what your life is now—and ask God how to live it best.

2019 Best Book Awards, Finalist: Religion—Christianity Take a moment and ask yourself: does every activity in my parish point more deeply to Jesus? Julianne Stanz wants to help you and your parish community make sure the answer to this question is a resounding, "Yes!" Serving parishes in her diocese as the Director of New Evangelization, Stanz has recognized a practical and motivational way to restructure a parish's mission - start with Jesus. *Start with Jesus* is a book about people, process, and culture, rather than an emphasis on quick fixes or unsustainable efforts. She aims to help regular people be transformed from the inside out by growing in relationship with Jesus Christ through individual and group experiences, thus transforming our parish communities. *Start with Jesus* will be an essential resource for decision-makers and thought-leaders in parishes, but its true strength lies in its value for the countless Catholics longing for peace, healing, and hope in the context of our parish communities. It will be an inspiration to Catholics who come to Mass each week, parents trying to instill the faith in their children, leaders searching for an effective and sustainable approach to parish renewal, and to all who are curious about developing a relationship with Jesus.

One of Publishers Weekly's Best Books of the Year Winner of the Christopher Award Winner of the Catholic Press Association Book Award WITTY, WRYLY HONEST, AND ALWAYS ORIGINAL, *My Life with the Saints* is James Martin's story of how his life has been shaped by some surprising friends—the saints of the Catholic Church. In his modern classic memoir,

Martin introduces us to saints throughout history—from St. Peter to Dorothy Day, St. Francis of Assisi to Mother Teresa—and chronicles his lifelong friendships with them. Filled with fascinating tales, Martin’s funny, vibrant, and stirring book invites readers to discover how saints guide us throughout our earthly journeys and how they help each of us find holiness in our own lives. Featuring a new chapter from Martin, this tenth-anniversary edition of the best-selling memoir updates readers about his life over the past ten years. In that time, he has been a New York Times best-selling author, official chaplain of The Colbert Report, and a welcome presence in the media whenever there’s a breaking Catholic news story. But he has always remained recognizably himself. John L. Allen, Jr., the acclaimed Catholic journalist, contributes a foreword that shows how Martin has become one of the wisest and most insightful voices of this era. “An outstanding and often hilarious memoir.” —Publishers Weekly “One of the best spiritual memoirs in years.” —Robert Ellsberg “Remarkably engaging.” —U.S. Catholic “Martin’s final word is as Jungian as it is Catholic: God does not want us to be Mother Teresa or Dorothy Day. God wants us to be most fully ourselves.” —The Washington Post Book World

The 2009 edition of "Christ Our Life" for grades 1-8 maintains the tradition of teaching and reaching God's children. Written by the Sisters of Notre Dame, "Christ Our Life" continues to provide the thorough foundation of our Catholic faith for which the series has been known.

2020 Moonbeam Children's Book Awards, Gold: Religion/Spirituality 2020 Living Now Book Awards, Gold: Children's Picture Books 2020 Catholic Press Association, 2nd Place: Children's Books Inspired by the USCCB's statement "Open Wide Our Hearts: The Enduring Call to Love, A Pastoral Letter Against Racism," Everyone Belongs empowers young readers to reflect on the reality of racism in our society, to see it through the lens of history and faith, and act towards respect, understanding, and friendship. In this fully illustrated book for children ages 5-12, Ray Ikanga is a young boy whose family fled violence in their home country to come to the United States as refugees. The family moves into a new neighborhood and Ray begins making new friends. His excitement is interrupted, however, when someone spray paints a hurtful message on their garage: "Go home!" Everyone Belongs is a book about recognizing the value of our differences, respecting each other, and forgiveness.

2019 Illumination Book Award, Gold in Christian Living 2018 Independent Press Award, Aging I haven't finished with my life, and neither has God. As we see fewer years ahead than behind, it can be easy to question our value or what we have left to contribute to our communities. How can we continue to give back and live with purpose in our later years? Barbara Lee is living this reality every day, and in this book she describes the intersection of aging with the timelessness of Ignatian spirituality. God Isn't Finished with Me Yet shows readers how God meets us with unexpected grace. In five succinct chapters, Lee shows how Ignatian prayer and discernment offer those in later life a path to discovering previously unknown vocations and new ways of living and being of service. You're still living your life, and God is still revealing His grace.

The Adaptive Teacher is a handbook packed full of concrete, ready-to-use strategies and tips to help teachers, catechists, and other parish leaders create a culture of welcome and inclusion in the classroom and parish space for all students, including those with cognitive and physical disabilities.
