Discoveries are special areas found around the world of Atlas that give a small number of discovery points each. Gaining more discovery points will add more levels to the soft level cap after 51. A full list of points needed per level can be found on the Level page.. Every named island gives 2 discovery points, but often other areas can be found on islands as well and they are worth more.

*Nonstop Metropolis* allows us to excavate New York's buried layers, to scrutinize its political heft, and to discover the unexpected in one of the most iconic cities in the world. It is both a challenge and homage to how New Yorkers think of their city, and how the world sees this capital of capitalism, culture, immigration, and more.
