The Eleventh Edition of this popular casebook provides a framework for studying both the essential and the cutting-edge issues of civil procedure while incorporating problems that test doctrinal understanding, foster case reading skills, and encourage a sense of litigation strategy. New Supreme Court cases have been integrated that impact personal jurisdiction (McIntyre, Goodyear), subject-matter jurisdiction (Grable, Gunn), pleading (Twombly, Iqbal), joinder (Pimentel), class actions (Dukes), and other important topics, including statutory changes such as the Jurisdiction Clarification Act. The casebook covers all of the major topics that a professor might wish to teach in a first-year course, and can easily be adapted for courses of one- or two-semesters, of different credit hours, and with varied practical or theoretical emphases. A supplement includes all updated Federal Rules, the pleadings in Twombly and Iqbal, a model case file, state materials, and other important teaching tools.

This supplement brings the principal text current with recent developments in the law.

Contemporary due process cases lead off Civil Procedure: Cases and Problems , creating a conceptual framework for understanding jurisdiction and procedural rules. Coverage of the social and economic issues underlying procedural reform

focuses on women, minorities, and the financial constraints on access to the adversary system. The book's constitutional context sets the groundwork for advanced courses on Procedure and Federal Courts. Lightly edited classic cases promote analysis and preserve the language and subtlety of procedural jurisprudence. Major Supreme Court precedents are followed and complemented by up-to-date lower court decisions. Hypothetical problems open each chapter and may be used in a variety of ways, including as class simulations or practice exams in review sessions. Concise and focused notes echo the Socratic method and prompt deep consideration of important themes. The completely updated Fifth Edition provides detailed coverage of the Supreme Court's transformation of pleading practice in *Bell Atlantic* and *Iqbal*, with analysis of its effect on lower courts and summaries of scholarly criticism. New rulings by the Supreme Court included cover personal jurisdiction, diversity jurisdiction, Erie doctrine, class actions, and arbitration. The Fifth Edition also provides extended coverage of new developments in scholarship: e-discovery, complex litigation, and alternative dispute resolution. References to important empirical studies on class actions, the new pleading standard, and access to counsel refresh the text. Features: contemporary due process cases lead off create a conceptual framework for understanding jurisdiction highlight competing values that shape other procedural rules shows social and economic context underlying procedural reform focuses on women and minorities shows general financial constraints on access to the adversary system offers constitutional context sets the groundwork for advanced courses on Procedure and Federal Courts classic cases lightly edited promote case analysis preserve the language and subtlety of procedural jurisprudence major Supreme Court precedents presented plausibility pleading class actions personal jurisdiction arbitration complemented by up to date lower court decisions hypothetical problems open each chapter use as class simulations in class rehearse as practice exams in review concise and focused notes echo the Socratic method Thoroughly updated, the revised Fifth Edition presents: detailed coverage of the Supreme Court's transformation of pleading practice in *Bell Atlantic* and *Iqbal*, including analysis of the effects on lower courts and summaries of scholarly criticism coverage of other new Supreme Court's decisions personal jurisdiction diversity jurisdiction Erie doctrine class actions arbitration new developments in scholarship e-discovery complex litigation alternative dispute resolution new material important empirical studies on class actions the new pleading standard access to counsel

The casebook addresses procedures unique to California practice that are not generally presented in the first-year course in civil procedure. The case selection reinforces the perspective of a practitioner choosing knowledgeably between state and federal court. Cases and notes address many state/federal differences in all areas of civil procedure, such as pleading, discovery, right to jury, alternative dispute resolution, *res judicata*, and appeals.
