Civilization 5: AI Diplomacy Guide - Carl's Guides

Introduction. Diplomacy is the art of making relations with other game entities in Civilization V. The world is huge and filled with other civilizations whose leaders are at least as cunning and determined as you are. Some are honest and others are liars; some are warlike and others prefer peace. But all want to win.

One of the key aspects of success in Civilization V is diplomacy. The thought of arranging trade deals and announcing friendships might not sound as impressive as declaring war on a rival, but diplomacy, like combat and building your cities up with improvements, plays a vital part in the game. For instance diplomacy offers the opportunity to make friends with rival civilizations and city-states, as well as a chance of improving your popularity and standing, while awareness of combat and ...
