The Romans won it by means of Claudius' armchair strategy. At the age of fifty-three, Claudius fought his first battle, won it, and never fought again. In Britain, he was deified as a god, and upon...

Claudius the God and His Wife Messalina Summary - eNotes.com

Claudius the God is the sequel to I, Claudius, and takes up the story two years after Claudius was made emperor and after telling the backstory of Claudius' charismatic friend Herod Agrippa, concentrates on the 13 year tenure of Claudius. Claudius survived his murderous predecessors chiefly because he was thought too stupid to be a threat and of as a harmless fool, However, when he becomes Emperor he generally proves himself to be quite adept with his public life, recovering the eagles lost ...

I, Claudius is written as a first-person narrative of Roman history from Claudius' perspective, covering the reigns of Augustus, Tiberius, and Caligula; Claudius the God is written as a later addition documenting Claudius' own reign. The real Claudius was a trained historian and is known to have written an autobiography (now lost) in eight books that covered the same period.

I, Claudius - Wikipedia

"Claudius the God" is the second of Graves' two-part story of the Roman Emperor Claudius, told in the form of an autobiography. It continues right where "I, Claudius" leaves off, at Claudius's ascendancy to Emperor following Caligula's rather bloody end.

Claudius the God: And His Wife Messalina: Graves, Robert ...

by Mark Cartwright (CC BY-NC-SA) Claudius was Roman emperor from 41 to 54 CE. After the death of Emperor Caligula (37-41 CE) and his family at the hands of the Praetorian Guard, the future Emperor Claudius was found quivering behind a set of curtains, fearing for his own life, and named emperor. Historian Cassius Dio wrote: "At first the soldiers, supposing that he was someone else or perhaps had something worth taking, dragged him forth; and then, on recognizing him, they hailed him emperor ...

Claudius - Ancient History Encyclopedia

Claudius The God This is a beautifully written whimsical tale of the rule Claudius, the stammering, club footed child who no one dreamt was a threat but who succeeded Caligula by accident.His well meant rule was destroyed by his infatuation with his wife Messalina whose antics forced him to murder her.

Claudius the God Audiobook | Robert Graves | Audible.co.uk

Shu (Egyptian šw, "emptiness" or "he who rises up") was one of the primordial Egyptian gods, spouse and brother to goddess Tefnut, and one of the nine deities of the Ennead of the Heliopolis cosmogony. He was the god of peace, lions, air, and wind. [citation needed

Depicts the turbulent life of a Roman emperor, reconstructing the decadence of the Roman world

The Julio-Claudian family possessed all the brutality and dysfunctionality of the Sopranos, but with fewer (or no) constraints on their power to injure outsiders or each other. From this raw material Robert Graves brilliantly recreates a world of power, intrigue and cruelty, a world permeated through and through with the threat of sudden and violent death. In the process he raises striking, sometimes unanswerable questions: was Tiberius really as depraved as Suetonius suggests? Was Livia the true power behind Augustus' throne? And did she really poison all those people? Did Caligula seriously plan to make his horse a consul? Whether or not we can answer these questions, this was certainly a world in which such things could happen.With an Afterword by Tom Griffith.

Continuing the saga begun in I, Claudius, Robert Graves's Claudius the God is a compelling fictional autobiography of the Roman emperor, published with an introduction by Barry Unsworth in Penguin Modern Classics. Claudius has survived the murderous intrigues of his predecessors to become, reluctantly, Emperor of Rome. Here he recounts his surprisingly successful reign: how he cultivates the loyalty of the army and the common people to repair the damage caused by Caligula; his relations with the Jewish King Herod Agrippa; and his invasion of Britain. But the growing paranoia of absolute power and the infidelity of his promiscuous young wife Messalina mean that his good fortune will not last forever. In this second part of Robert Graves's fictionalized autobiography, Claudius - wry, rueful, always inquisitive - brings to life some of the most scandalous and violent times in history. If you enjoyed Claudius the God, you might like Marguerite Yourcenar's Memoirs of Hadrian, also available in Penguin Modern Classics. 'I, Claudius and Claudius the God are an imaginative and hugely readable account of the early decades of the Roman Empire ... racy, inventive, often comic' Daily Telegraph 'One of the really remarkable books of our day, a novel of learning and imagination, fortunately conceived and brilliantly executed' The New York Times 'Graves made Roman history funny and familiar' Guardian

In this sequel to I, Claudius, the story of the Roman Emperor▯on which the award-winning BBC TV series was based▯continues . . . In I, Claudius, Robert Graves began the story of the limping, stammering young man who is suddenly thrust onto the throne after the death of Caligula. In Claudius the God, Graves continues the story, detailing Claudius's thirteen-year reign and his ultimate downfall. Painting the vivid, tumultuous, and decadent society of ancient Rome with spectacular detail, Robert Graves provides a tale that is instructive, compelling, and difficult to put down for both casual readers and students of Roman history.

The emperor Claudius tells of his life during the reigns of Augustus, Tiberius, and Caligula and the events that led to his rise to power in a classic novel reconstructing ancient Rome

Reissue of the two classic novels set in Ancient Rome.

Claudius the stammerer was known as a buffoon and a fool. but despite his reputation he was destined to become Emperor - and shrewd enough to record some of the most scandalous, debauched times in history. Here, in this magnificent fictionalized autobiography, Claudius chronicles the shocking intrigues, lusts, perversions and bloodshed of the Imperial Roman households, from the great days of Augustus and the cruelty of Tiberius, to the insane excesses of Caligula. As Claudius reveals his innermost thoughts throughout his own surprisingly successful reign and his tempestuous marriage to the depraved Messalina, his voice is humorous, sometimes fearful, always inquisitive, bringing the past to brilliant life in two of the most celebrated and compelling historical novels ever written.

A gripping and vivid historical fiction that captures the full sweep of history during the fall of the Roman Empire through the eyes of a servant.

Threatened by invaders on all sides, the Roman Empire in the sixth century fought to maintain its borders. Leading its defense was the Byzantine general Belisarius, a man who earned the grudging respect of his enemies, and who rose to become the Emperor Justinian's greatest military leader. Loosely based on Procopius's *History of the Justinian Wars* and *Secret History*, this novel tells the general's story through the eyes of Eugenius, a eunuch and servant to the general's wife. It presents a compelling portrait of a man bound by a strict code of honor and unrelenting loyalty to an emperor who is intelligent but flawed, and whose decisions bring him to a tragic end. Eminent historical novelist and classicist Robert Graves presents a vivid account of a time in history both dissolute and violent, and demonstrates once again his mastery of this historical period. "A vigorous tale . . . a brilliant piece of scholarship." *Kirkus Reviews* "The scope of the book is massive—encompassing religious controversy and cultural developments as well as military history—yet, throughout, Graves succeeds in blending historical details with the development of his main characters." *Historical Novel Society*
