Haden Lord, the disgraced prince of the Underrealm, has been sent to the mortal world to entice a girl into returning with him to the land of the dead. Posing as a student at Olympus Hills High—a haven for children of the rich and famous—Haden must single out the one girl rumored to be able to restore immortality to his race. Daphne Raines has dreams much bigger than her tiny southern Utah town, so when her rock star dad suddenly reappears, offering her full tuition to Olympus Hills High's prestigious music program, she sees an opportunity to catch the break she needs to make it as a singer. But upon moving into her estranged father's mansion in California, and attending her glamorous new school, Daphne soon realizes she isn't the only student in Olympus who doesn't quite belong. Haden and Daphne—destined for each other—know nothing of the true stakes their fated courtship entails. As war between the gods brews, the teenagers' lives collide. But Daphne won't be wooed easily, and when it seems their prophesied link could happen, Haden realizes something he never intended—he's fallen in love. Now to save themselves, Haden and Daphne must rewrite their destinies. But as their destinies change, so do the fates of both their worlds. A pulsating romance of epic proportions, Bree Despain's The Shadow Prince will leave her fans breathless for the next book in the Into The Dark series.

El 16 de marzo de 1914, Henriette Caillaux, casada con el ministro de Finanzas Joseph Marie Caillaux, asesinaba de cuatro tiros al director del diario Le Figaro Gaston Calmette. Una vez cometido el crimen, la asesina no intentó en ningún momento escapar y permaneció junto a su víctima hasta que llegaron los gendarmes. Sin embargo, cuando estos fueron a detenerla, no permitió que la esposaran, y dijo una frase que se haría célebre: "¡No me toquen! ¡Yo soy una dama!". ¿Pero era realmente una dama o una aventurera?... ¿Quién era, en realidad, Henriette Raynouard, conocida como madame Caillaux?... La historia de este crimen que conmovió a la opinión pública, y la de su autora, será contada a dos voces por F. Robinaux, un modesto gaceticero de un semanario sensacionalista, y por Justine Boucher, antigua compañera de juegos y más tarde, señorita de compañía y ayudante de Henriette. El marco del relato, el París anterior a la Primera Guerra Mundial (1914-1918), durante los años de la llamada Belle Époque, cuando Francia era el corazón de Europa, y París, la capital del mundo.

Comics Beyond the Page in Latin America is a cutting-edge study of the expanding worlds of Latin American comics. Despite lack of funding and institutional support, not since the mid-twentieth century have comics in the region been so dynamic, so diverse and so engaged with pressing social and cultural issues. Comics are being used as essential tools in debates about, for example, digital cultures, gender identities and political disenfranchisement.
