Ghosts looks at the roots and ramifications of addiction (and not just to illicit substances). He approaches the subject from multiple angles, showing that addiction originates and plays out in personal feelings and experiences, body chemistry, societal structure and cultural attitudes." -- Beams and Struts

Addiction is a purposeful  
activity, not a disease or  
even a condition to be  
cured. The purpose of  
addiction is to compensate  
for trauma, often  
experienced in childhood,  
that has produced an  
emotional deficit and real  
physical and psychic pain.  
Addiction succeeds in

In the Realm of Hungry Ghosts: Close Encounters with Addiction

The book is a survey of scientific evidence on addiction, but it is haunted by Maté's patients who are wrestling with poverty, violence, mental illness, drug addiction, HIV/AIDS, hepatitis, the authorities, their pasts. We read about the depths of addiction, but also the persistence of humanity under the worst of conditions....

Addiction, affects so many of us in so many ways, eating, gambling, shopping, sex, addiction is addiction. It seems that we as society dehumanise some addicts while throwing a veil over our own because, well, we're not like THEM, the Wino's and Junkies, the thieving Scum, no we're not addicted like THAT.
