This book is a perfect gift for any woman named Carrie. "Romeo and Carrie" is a modified version of William Shakespeare's "Romeo and Juliet". In this version, the main character is not Juliet, but Carrie. The book has a beautiful cover and font. There are 10 pictures inside the book. We also have versions with other names. "Two households, both alike in dignity, In fair Verona, where we lay our scene, From ancient grudge break to new mutiny, Where civil blood makes civil hands unclean. From forth the fatal loins of these two foes A pair of star-cross'd lovers take their life; Whose misadventur'd piteous overthrows Doth with their death bury their parents' strife. The fearful passage of their death-mark'd love, And the continuance of their parents' rage, Which, but their children's end, nought could remove, Is now the two hours' traffic of our stage; The which, if you with patient ears attend, What here shall miss, our toil shall strive to mend. This is a story about Romeo and Carrie."
