As a fundamental frame of reference for responsible and sustainable tourism, the Global Code of Ethics for Tourism (GCET) is a comprehensive set of principles designed to guide key-players in tourism development. Addressed to governments, the travel industry, communities and tourists alike, it aims to help maximise the sector's benefits while minimising its potentially negative impact on the environment, cultural heritage and societies across the globe.

Global Code of Ethics for Tourism | UNWTO

The Code presents the professional standards that nurses, midwives and nursing associates must uphold in order to be registered to practise in the UK. It is structured around four themes – prioritise people, practise effectively, preserve safety and promote professionalism and trust. Each section contains a series of statements that taken together signify what good nursing and midwifery practice looks like.
