This is a blank, lined journal. It's 6 X 9 and has 108 pages. It's a funny gag gift for anyone who loves coffee and drinks their cup of joe to give them special powers. Other features of this notebook include excellent and thick binding, durable 55# white paper and a glossy finished cover.

Kindness isn't merely about getting along with people and being nice. It's a game changer in business, the door opener to fulfillment, and the key to authenticity and confidence. It's also a superpower that can be honed through developing a daily practice of kindness as a lifestyle and is especially important in these divisive times. Whether it's the current political climate, family matters, or workplace dynamics, everything in our world appears to be more intense lately. Social media is a forum for debates and name-calling. Many feel frustrated and powerless. The person next to you might be on the verge of quitting or cracking under pressure. Is something as simple as kindness really the answer? Through years of talking to friends and colleagues about her kindness practices, Good Morning America correspondent and anchor Adrienne Bankert has heard story after story confirming the unlimited power of kindness. Adjusting our perspective from being closed off and self-centered to a mindset of kindness ripples into a staggering amount of personal fulfillment and development. Kindness is universally understood in every culture. No matter our age or ethnicity, where we come from, or how much money we make, any one of us can be kind. Any one of us can be the difference maker. As a bonus, we achieve our unique destiny day by day by being kind. Your Hidden Superpower will help you See the many layers of benefits that simple acts of kindness can bring to people who commit to practicing it in their lives Learn how to make kindness a habit in your own life and feel the joy, fulfillment, and inspiration that comes from helping others Make kindness one of your differentiators at work and experience the remarkable opportunities and direction that this brings Feel the power of kindness as a force to reconnect you to your authentic self, replenish your passion and creativity, and find your voice

There are more ways to enjoy your java than there are coffee beans on the tree, so whether you like your coffee topped with artisan foam or black as the night sky there's something for everyone! Bringing together the finest blend of recipes, clever statements and quips from connoisseurs the world over, this book celebrates the majestic coffee bean.

This fully-illustrated, highly-informative, and fun primer presents a whole new way to know and enjoy any type of coffee. In the same format as the highly-praised Wine Isn't Rocket Science. Rocket science is complicated, coffee doesn't have to be! With information presented in an easy, illustrated style, and chock-full of the fool-proof and reliable knowledge of a seasoned barista, COFFEE ISN'T ROCKET SCIENCE is the guide you always wished existed. From how coffee beans are grown, harvested and turned into coffee, the history and flavor profiles of beans from every country, making pour-overs, cold brew, and latte art, and the cultural practices of drinking coffee around the world, this book explains it all in the simplest way possible. All information is illustrated in charming and informative four-color drawings that explain concepts at a glance.

Profiles superheroes with useless powers, including flawgic, the powerpointer, and in-flight flight.

More than 150 million Americans drink coffee each day. We're not the only nation obsessed: More than 2.25 billion cups of coffee are consumed in the world each day. In Coffee Obsession, we take a journey through the coffee-producing nations around the world, presenting the different styles, flavors, and techniques used to brew the perfect cup. We explore how coffee gets from bean to cup in each region, and what that means for the final product. Through clear step-by-step instruction, Coffee Obsession will teach you how to make latte, cappuccino, and other iconic coffee styles as if you were a professionally trained barista. With more than 130 classic coffee recipes to suit every taste, detailed flavor profiles and tasting notes, as well as recommended roasts from around the world, Coffee Obsession is like nothing else out on the market.

Provides facts about coffee and caffeine, including the best time to drink coffee, espresso drinks, and coffee consumption trends in the workplace.
