Utilising familiar architectural motifs like the arch and referencing the classical Italian landscape with Tuscan pencil pines, Colonna creates warm staged scenes in brilliant sunlight and sharp shadows. There is a feeling of permanence and quiet solitude in the fixed positioning of these design elements. This feeling is interrupted...

Architecture colleges in UK focus on the technological, design, cultural and historical elements of the subject, and lectures on history and theory which will take place alongside art and 3D design. This provides students with the best approach to learning about each element of the profession.

Best Architecture Colleges in UK: Courses, Fees, Jobs

Collage is a technique of art creation, primarily used in the visual arts, but in music too, by which art results from an assemblage of different forms, thus creating a new whole. A collage may sometimes include magazine and newspaper clippings, ribbons, paint, bits of colored or handmade papers, portions of other artwork or texts, photographs and other found objects, glued to a piece of paper or canvas. The origins of collage can be traced back hundreds of years, but this technique made a drama
