In this rare peak into the personal life of the author of numerous bestselling novels, gain an understanding of David Foster Wallace and how he became the man that he was. Only once did David Foster Wallace give a public talk on his views on life, during a commencement address given in 2005 at Kenyon College. The speech is reprinted for the first time in book form in This is Water. How does one keep from going through their comfortable, prosperous adult life unconsciously? How do we get ourselves out of the foreground of our thoughts and achieve compassion? The speech captures Wallace's electric intellect as well as his grace in attention to others. After his death, it became a treasured piece of writing reprinted in The Wall Street Journal and the London Times, commented on endlessly in blogs, and emailed from friend to friend. Writing with his one-of-a-kind blend of causal humor, exacting intellect, and practical philosophy, David Foster Wallace probes the challenges of daily living and offers advice that renews us with every reading.

Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons "should be read by every leader in America" (Wall Street Journal). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, "What starts here changes the world," he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves-and the world-for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments. This is Oh, the Places You'll Never Go--the ultimate hilarious, cynical, but absolutely realistic view of a college graduate's future. And what he or she can or can't do about it. "This commencement address will never be given, because graduation speakers are supposed to offer encouragement and inspiration. That's not what you need. You need a warning." So begins Carl Hiaasen's attempt to prepare young men and women for their future. And who better to warn them about their precarious paths forward than Carl Hiaasen? The answer, after reading Assume the Worst, is: Nobody. And who better to illustrate--and with those illustrations, expand upon and cement Hiaasen's cynical point of view--than Roz Chast, best-selling author/illustrator and National Book Award winner? The answer again is easy: Nobody. Following the format of Anna Quindlen's commencement address (Being Perfect) and George Saunders's commencement address (Congratulations, by the way), the collaboration of Hiaasen and Chast might look typical from the outside, but inside it is anything but. This book is bound to be a classic, sold year after year come graduation time. Although it's also a good gift for anyone starting a job, getting married, or recently released from prison. Because it is not just funny. It is, in its own Hiaasen way, extremely wise and even hopeful. Well, it might not be full of hope, but there are certainly enough slivers of the stuff in there to more than keep us all going.

As three generations of Kelleher women descend on their family's Maine beach property one summer, each brings her own hopes and fears. By turns wickedly funny and achingly sad, this novel unveils sibling rivalry, alcoholism, social climbing, and Catholic guilt at the center of one family.
