The gold standard of handbooks--unmatched accuracy, currency, reliability The Little, Brown Compact maintains the authority of its best-selling parent (The Little, Brown Handbook) in a briefer book with spiral binding, tabbed dividers, and over 150 exercise sets. While keeping pace with rapid changes in writing and its teaching, it offers the most comprehensive research and documentation available, with grammar coverage that is second to none. "Culture-Language" notes explore the most common issues faced by both non-native English speakers and students with dialect interference; rather than segregating this material, coverage is integrated so that students don't feel compartmentalized. With detailed discussions of critical reading, media literacy, academic writing, and argument, as well as writing as a process, writing in the disciplines, and writing beyond the classroom, this handbook addresses writers of varying experience and in varying fields in a format that is a brief and convenient. Also available with MyWritingLab(tm) This title is also available with MyWritingLab--an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts <http://www.pearsonmylabandmastering.com/northamerica/mywritinglab/>

Be careful what you wish for. Your dream might come true. This is a humorous story about Chad Smith who had his greatest hope fulfilled but with results he could never have imagined. His ambition was to play ball in the Major League. Only one thing held him back from playing professional baseball in the majors. Through a freak accident this shortcoming is removed but the transformation leads to an unorthodox style of play. His success arouses a number of emotions in the other players, team managers and owners of the baseball teams. He is swept away into a beehive of controversy.

Dragon—Book One of the Dragon Eye series!Isa has been afraid of dragons ever since she saw them in the sky the night she was chased from her village as a child. Now, a decade later, she'd love to return to the place she once called home—if only she knew where to find home.Truth is, Isa doesn't know who she is. She only knows her father left her in the care of a guy named Ram, who teaches her swordsmanship in a butcher shop until the day when it's safe for her to continue home.But it may never be safe, and their enemies are closing in. Isa and Ram are being hunted, and they must flee through the dangers that bar them from their homeland. The journey will require all their skill and strength, but it will also uncover the secrets of who Isa is and where she belongs. She's always longed for the truth, but once she learns it, can she accept it? Is she...a dragon? And do those ancient monsters even deserve to live?The Dragon Eye series books:One: DragonTwo: HydraThree: PhoenixFour: VixenFive: DraculSix: Basilisk
