R3000 Review |
Digital Trends~~

Installing incorrect drivers or following incorrect troubleshooting procedures could damage your computer. Many Compaq Presarios are identified on the front of the

Where To Download

Computer by a series number rather than the actual model number. For example, your Presario may be labeled with 5000 on the front of the case, but it is actually part of a 5000 series PC. . . The correct model number may be
