Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Combining depth of theory with practical applications, Madura's best-selling INTERNATIONAL FINANCIAL MANAGEMENT ABRIDGED, 12E builds on the fundamental principles of corporate finance to provide the timely information and contemporary insights needed to prosper in today's global business environment. With its signature reader-friendly style and clear explanations, the text introduces international finance with a focus on the important role of modern multinational corporations in global commerce. It discusses a wide range of managerial topics using a strong corporate perspective. Emphasizing the most recent financial changes and industry trends, the Twelfth Edition highlights financial reform and its impact on international finance today. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The eleventh edition of this text provides an introduction to contemporary financial management and to the principles of maximizing shareholder wealth and effectively managing cash flow. The text takes in such topics as the international aspects of corporate finance, the impact of the Internet and ethical issues.

Knapp's CONTEMPORARY AUDITING, 11E prepares readers for the challenging responsibilities faced in the public accounting profession. This casebook stresses the people aspect of independent audits. Readers learn how to avoid audit failures most often due to client personnel who intentionally subvert an audit or auditors who fail to carry out their responsibilities. A detailed review of problem audits helps readers recognize the red flags common to failed audits. Discussing and dissecting these challenges prepares readers to handle potential problematic situations in their own professional careers. Readers also acquire a higher-level understanding of auditing standards, ethical principles, audit procedures, and other issues related to independent auditing. By studying these topics in a real-world context, readers achieve a more in-depth, intuitive comprehension of auditing fundamentals, which translates into improved performance on the CPA exam and other professional examinations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

"Written with enthusiasm and dedication, Analysis for Financial Management, 9th edition, presents Financial Management in a clear and conversational style that both business students and non-financial executives comprehend." --Book Jacket.

CONTEMPORARY CORPORATE FINANCE, 12, International Edition gives students a comprehensive, contemporary introduction to financial management focusing on maximizing shareholder wealth and effectively managing cash flow. Students learn the international aspects of financial management, examine the ethical behavior of managers, and study the effects of the 2008-2009 recessions on corporations.Financial Challenges, icons, integrative cases, and numerous other learning features highlight critical concepts and provide important practice. Excel@ templates in this edition's companion web site offer additional practice in using technology to achieve financial management objectives. Thomson ONE Business School Edition, included with the text, places the same financial analysis tool used daily by Wall Street professionals into the hands of students to further their financial management skills and success.

Seeks to provide an engaging and comprehensive primer to economics that explains key concepts without technical jargon and using common-sense examples.
